## Notification of Assignment of Agreement

We refer to the Confirmation of Enrolment (Contract) (the **Agreement**)

As a result of an internal restructure within our corporate group (the **Group**), the assets and liabilities of the Trustees of Edmund Rice Education Australia ABN 96 372 268 340 (**Proprietor**) relating to Waverley College (**School**) are being transferred to another member of the Group, Edmund Rice Education Australia New South Wales Colleges Ltd ACN 661 601 118 (**Company**) (**Restructure**).

The Company is a charitable, not-for-profit company which has been established by the Proprietor for the sole purpose of owning and managing the operations and governance of certain schools located in New South Wales including the School. The Company is a wholly owned subsidiary of the Proprietor.

The Proprietor wishes to notify Parents and Carers of the assignment of its rights and obligations under the Agreement to the Company as part of the Restructure, on and from 1 January 2023 (**Effective Date**).

On and from the Effective Date, the Company will be a party to the Agreement (in the place of the Proprietor). As this is an internal restructure, your day to day dealings with us will not change, other than our name (i.e. counterparty to the Agreement) being different.

If you have any concern regarding the internal restructure, you can email Waverley College at [wavcoll@waverley.nsw.edu.au](mailto:wavcoll@waverley.nsw.edu.au).

To the extent you require the Proprietor and/or the Company to execute any documentation relating to the assignment, please provide such documentation to us by email, at your earliest convenience, to the address stated above.

Yours sincerely,

Mr Bryn Gregerson, Director of Business Services, Waverley College  
for and on behalf of

**Trustees of Edmund Rice Education Australia and Edmund Rice Education Australia New South Wales Colleges Ltd**
