# ROHRIG ELITE DEVELOPMENT PROGRAM

//// RANDWICK RUGBY CLUB

ROHRIG  
ELITE  
DEVELOPMENT  
PROGRAM

## ABOUT

Randwick Rugby's Elite Development Program (EDP) is a specialised program offered to the Club's most talented young players who display potential on and off the field.

The EDP runs parallel to the club's U18 and Colts programs, providing recruits with:

- extended coaching
- strength & conditioning
- education on rugby law
- nutrition plans
- sports psychology & mentoring
- media training etc.

## PHILOSOPHY

The program aims to provide recruits with all the tools required to progress into elite senior rugby. We are proud to have had many of our recruits advance into Premier Grade and earn Super Rugby Academy contracts and Junior Wallabies squad selection.

For more information, check out our social media.

# Code of Conduct

## PLAYERS

- Play by the rules and in a spirit of good sportsmanship
- Play for the “fun of it” and not just to please parents and coaches.
- Control your temper. Verbal abuse of officials or other players, deliberately fouling or provoking an opponent, and throwing equipment are not acceptable nor permitted in any sport.
- Work hard both for yourself and your team. Your team’s performance will benefit, so will you.
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Cooperate with your coach, teammates and opponents. Without them there would be no game.

In the event of a player, or athlete being sent-off during a CAS fixture, it is the responsibility of that boy’s Principal at his discretion to determine the penalty. It is generally understood among Principals, however, that the boy will serve at least one week’s suspension from participating in the CAS competition.

## PARENTS

- Focus upon the boy’s efforts and performance rather than the overall outcome of the game. This assists the boy in setting realistic goals related to his ability by reducing emphasis on winning.
- Teach your son that an honest effort is as important as victory, so that the result of the game is accepted without undue disappointment.
- Encourage your son to always play according to the rules of the game.
- Never ridicule or yell at your son or another boy for making a mistake or losing a game.
- Remember boys are involved in organised sports for their benefit and enjoyment, not yours.
- Remember children learn best from example. Applaud good play by both teams.
- If you disagree with an official, raise the issue through the appropriate channels rather than question the official’s judgement and honesty in public. Remember most officials give their time and effort voluntarily for your son’s benefit.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Recognise the value and importance of coaches. They give their time and resources to provide recreational activities for your son and other boys and deserve your support.

## SPECTATORS

- We encourage boys to support their school teams and to be dressed in the school’s uniform while doing so.
- We expect barracking to be enthusiastic, but not to be fanatical or designed to heckle, belittle or disturb the opponents. For example, barracking, for or against, during a kick at goal is always bad sportsmanship. Boys should be encouraged to barrack for their school rather than for an individual team member. Booing, whistling, playing or beating musical instruments are in bad taste and wholly unacceptable.
- Vocal support for any team should never encourage violence or rough or illegal play.
- Encroaching onto the field of play, the shouting out of suggestions for players, referees or umpires to hear are not allowed.
- It is never acceptable to express disapproval of a referee’s or umpire’s decision – no matter whether the referee is an adult or student.
- There is a complete ban on all alcoholic drinks at grounds where games between Associated Schools’ teams are being played.
- We expect our players to be modest in success and generous in defeat, not showing in either case undue emotion. Good play, by your own school and by the opposing school, should be applauded willingly and openly.
- At all times, spectators should leave the area tidy and free of rubbish when they leave.
- We look to adults (parents, old boys and other spectators) to set an example by their self-control at matches.
