College tracksuits for travel + house shirt & shorts at venue

## From the Head of College

### Our Lady Help of Christians

On May 24, the Church celebrated the Feast of Our Lady Help of Christians. This is an important feast for the Australian Church as well as for the Waverley College community. Mary is the patroness of Australia and is also a patroness of our College. The first cathedral built in Australia was St Mary's Cathedral. The main building in our College has a statue of Mary which is visible across the eastern suburbs. Our senior campus is called Our Lady's Mount. Just as the Australian Church draws upon the nurturing and generative qualities of Mary, so we too strive to make these values and qualities a feature of our school. We trust that this occurs daily within our relationships through our words actions and attitudes.

In the last few days we have seen this demonstrated in three visible ways. Last Tuesday, Australian international rugby player David Pocock led an important discussion with a group of senior students. A strong advocate of inclusion, compassion and healthy lifestyles, David challenged our students, and through them the whole community, to consider what strength means in and out of sport. "Getting those conversations going is really important," he said. "I was... saying to them at their age there were rugby players that I idolised and in my eyes they had it all together, playing for the wallabies they had no issues.

"When you get into that position you are human and you have fears and troubles and don't have everything together." The Strength to Care movement which he represents provides an important forum for these issues to be discussed. At Thursday's assembly, Dr Dave Jenkins from SurfAid addressed the need for greater awareness of communities in need.

Started by a group of concerned surfers in 2000 who were struck by the needless suffering and preventable death in the Mentawai Islands. Today SurfAid is proud that more than 95 per cent of their program staff are Indonesian nationals who work hand-in-hand with the communities of Western Sumatra, Sumbawa and Sumba, to bring about positive, sustainable health change while respecting the unique culture and customs of these islands communities.

Top - Our SurfAid team with Dr Dave Jenkins. Above - Australia's Biggest Morning Tea in the Library.

Finally, Waverley College joined the whole Australian community in participating in Australia's Biggest Morning Tea. In the second year of this initiative, the whole senior school staff (100) joined Year 12 (135) in our library, each donating \$5 to cancer research. The Junior School held a similar morning tea on Friday.

All these actions and initiatives are "generative". They produce an ongoing effect. They start a ripple of activity. These ripples and effects generate change, heighten awareness and change hearts.

## From the Deputy Head of College: This week's update

### Home Day Information

Our Year 9 Year level are on home day support duties this weekend. Boys have a choice of supporting either the Football 1st XI or the Rugby 1st XV. The boys own sporting obligations may have a bearing on which one they attend. Boys need to get their name marked off at the ground.

All boys that attend weekend Waverley activities are expected to wear the correct sports attire for their respective competition. They can then change into full winter uniform or their full tracksuit. No combinations please

The grandstand at Queen's Park is for Waverley and visiting parents only. No boy should be sitting up in the grandstand from either Waverley or the visiting team. Boys are expected to be seated to the left of the grandstand in a roped off area cheering their side on.

Once the game is over, boys have been asked to not go onto the field of play. Once the teams have shaken hands, win, lose or draw, the team will then come over to where the Waverley student spectators are.

All CAS fixtures are alcohol free zones and the Queen's Park trust rules also have a ban on alcohol consumption in the park. There will be a police presence tomorrow to ensure this is adhered to.

### Blazers

Most of the outstanding blazers are now in the clothing shop. Please encourage your sons to pick theirs up if they are still without one. We are down to the final few that we are still waiting on 21 x Year 11s, 4 x Year 10s, 7 x Year 9s, 3 x Year 8s, 2 x Year 7s. Boys are expected to wear their school blazer to and from school and at functions. The school jumper should be worn until your son has his blazer.

### Emails

Your son is being encouraged to read his school email account twice a day. More and more staff are communicating with your son using this medium.

### Hands off policy

I remind all parents and boys that the College adheres to a 'hands off policy'. No student should be touching another student in any shape or form, even in jest.

That includes, holding, wrestling, punching or pushing. There should be no tackle games, no bull rush or rumble type play at the College.

### Examinations

Many students are starting their examinations next week. Make sure you keep good habits over the weekend and for the week ahead. Sleep, keep hydrated, little bit of exercise and of course prepare for the examinations. Your brain will work best if you are feeling good and looking after your wellbeing

Good Luck over the weekend activities and for exams next week

Graham Leddie  
Deputy Head of College

## Junior School Canteen Roster

- Mon 30/5 Debbie Wong & Maureen Andrews
- Tues 31/5 Laura Vonweiller-Rutter & Lindy Hodgson

## Library News

### Feature DVD: Deadline Gallipoli

Rating: MA

THE FIRST CASUALTY OF WAR IS THE TRUTH  
Deadline Gallipoli is a powerful historical mini-series that explores the legend of the Gallipoli campaign during World War 1. This lavish event drama is seen from the viewpoint of war correspondents, fully embedded in the action. These journalists run into sharp conflict with the Allied military high-command when they become determined to report on the dire mismanagement of the operation.

The stellar international cast includes Sam Worthington, Charles Dance, Bryan Brown and Rachel Griffiths

## From the Director of Junior School

### Da Vinci Decathlon

Congratulations and all the best to the following boys who will be representing the Junior School at the da Vinci Decathlon at Knox Grammar this Thursday, 26th May 2016. The boys have been chosen as a result of their involvement in the school's Enrichment Group. The da Vinci Decathlon is an academic interschool gala day operated in the spirit of an Olympic Decathlon, with a variety of events of an academic nature.

The following disciplines will be covered on the day: Engineering Challenge, Art & Poetry, Science, Creative Producers, English, Mathematics, Philosophy, General Knowledge, Cartography and Code Breaking.

#### Year 5

- Jack CROTTY 5B
- Lachlan GRANT 5GR
- Hugo HERON 5B
- Joshua KING 5G
- Freddie LE VAY 5GR
- Charles HELY-HAMMOND 5W
- Jake PERKS 5W
- Zach ZANETICH 5GR

#### Year 6

- Cooper STYNES 6G
- Tobias UNSWORTH 6G
- Carl WATERSON 6G
- Cameron ABBOTT 6R
- Jared GARWOOD 6R
- James HARDING 6W
- Sam HODGSON 6W
- Leo MORGAN 6W

Many thanks to the parents who have offered to assist with transporting the boys out Knox on Thursday.

### Best of Luck

This week sees Louis Kitto – 6 White, Hamish Morrison - 6 White and Ethan Smith - 6 Blue head off to Warners Bay to compete for the CIS team at

the PSSA AFL Championships. We wish these boys the best of luck and hope they enjoy the experience.

### Year 6 Canberra Trip

Last week's Yr 6 Canberra Excursion was a great success with very positive feedback from all the staff involved. The boys had a great time enjoying the sights of our Capital City.

Once again a big thank you to Mr Ben Meadley for his hard work and many hours planning to ensure the boys had a great

time in Canberra.

### Wakakirri

Early notice for everyone involved – Wakakirri is being held on August 5 at NIDA so get ready for another great performance (more information will be sent home early next term).

### Saturday Sport

Please note there are no games scheduled for the June long weekend as per calendar however Round 7 is scheduled for Saturday June 17 (this round seems to have been omitted from the calendar).

### Get Better Soon Will O'Connor

A message from all of Year 5 to Will O'Connor who unfortunately broke his leg at sport on Saturday – get better soon and we look forward to you coming back school as soon as possible.

### ICAS Science Test

A reminder for the boys who have chosen to sit the ICAS Science test that it will be held on Tuesday May 31 commencing at 8.00am sharp in the Junior School library.

Mr Anthony Banboukjian  
Director – Junior School

## Weekly Prayer

### MARY, HELP OF CHRISTIANS

Saturday 24th May, we celebrated the feast of the Virgin Mary under the title of Help of Christians, patron of Australia.

The church in Australia had a special reason for turning to Mary. No priests were sent to the colony in its early days and Mass was not allowed except for one brief year until 1820. It was largely the Rosary in those early days that kept the faith alive.

The Australian Catholic community remained faithful to Mary and Australia was the first nation to choose her under the title, 'Mary Help of Christians' as principle Patroness.

Let us pray for all Australians.

Mary, Help of Christians, you listen with a Mother's love to all who look for your guidance. I ask you to keep all those I love

in your tender care. Give me the strength to face up to life's difficulties

and protect me from all spiritual and bodily harm.

Grant me an abundance of love so that I too, may be a help to others,

sharing with them in their times of need,

and caring for them in their moments of distress.

Amen.

Let us now pray the Hail Mary together

Mary, Help of Christians: Pray for Us

Blessed Edmund Rice: Pray for Us

Live Jesus in Our Hearts: Forever

From the Director of Junior School ... continued

## Da Vinci Decathlon

On Tuesday 24th and Wednesday 25th of May a selection of Waverley boys went off to compete in the inaugural Da Vinci Decathlon. It was a cold Wednesday morning as the mix of students from Years 9, 10 and 11 began their long journey from the Bondi junction station to Knox. The trains were packed from one carriage to another, as we quickly went from Bondi to Town Hall. As we waited everyone split off into their own year groups as we talked amongst ourselves we began to grow in excitement and anticipation for what was to come next. The next train had arrived and we took up almost an entire carriage and eyed off the other schools as our competition as they entered the train. Deep down we were nervous, as this was the first sign of what we were about to do.

We had eventually arrived at Knox and by now we were busting with enthusiasm (and for a quick bathroom break). As we said good-bye to our teachers and they wished us good luck, we walked in to the hall as the Waverley unit, combined and ready to conquer. It was then that the magnitude of the event really struck us. We were suddenly humbled by the 1,200 other bodies that filled the room; our competition. It was then that we were separated in to our year groups as wished each other the very best of luck for the morning's events. It was daunting sitting amongst the swarm of students from all over NSW as the hall was alive with chatter, as teams worked out their strategies for the day. We searched anxiously around the room for the other Waverley teams and as quick as we spotted them, the decathlon had begun, "Welcome, everyone to the 2016 Da Vinci Decathlon".

He explained the formalities and then we were quickly handed our booklets, "3..2..1.. BEGIN!" This was it, we had one hour and five minutes for the first section. As we quickly set to work we were acquainted with the level of difficulty of the decathlon, it was very different from school and we had started slow but as we chatted we began to figure out each question making real progress. BANG! The gong sounded jolting us all back in to the reality of where we were and symbolizing that it was time to stop writing. We had just completed the English, Science and Philosophy papers. Quickly darting looks across the room to our other Waverley teams we smiled and felt at ease.

Recess was a flutter of chatter amongst the boys, with Year 9 saying what we were all thinking; "it was really was hard, really hard". On our way back in we felt nervous for the next round. We did boost moral when we spotted Miss Attard sitting down to mark the English section of the paper and showed off our Waverley pride and camaraderie through the glass. United we walked in to complete the Maths, Engineering, Cartography; and Arts and Poetry papers. This posed an even harder challenge as during this section a selection of each team was called out to participate in the creative productions. This section had gone by even quicker than the one before, and before we knew it was lunch.

Finally we were faced with the last section this was code breaking and general knowledge. The code breaking was mind-boggling and the general knowledge had questions that no one in the room knew the answer to! But we tried our best and had fun calling out various answers. Finally it was time

for the winners to be announced. The first and probably most prestigious award was to the team that carried out the whole day challenge the hosts had given everyone at the beginning; to design the best tablecloth. Out of all 120 teams present the Decathlon, Waverley's Year 11 team walked away with the victory. It was an exciting moment at which we all cheered and we were so proud of our result. The year 11's had won because of their school pride and positive message. On the way home the excitement didn't stop as the team carried the new flag, displaying it for all to see as we laughed and cheered our way to the station. We sat on the train, tired but musing on what we had accomplished that day. We may not have won every category but we had fun, and we established ourselves as a strong team. All the boys involved should be proud to have been a part of it.

We thank all the staff members who joined us for the enjoyable days, Mr Anthony Gibbs, Mrs Marilyn Tanner and Miss Cassandra Attard. We also extend our greatest appreciation to Mr Hearne for organizing the day and preparing us for the event. It was a great day that really united us, and we encourage all boys to take on the experiences and opportunities that are available to them.

Matija Hripac  
Year 11

### Uniform Shop Opening Hours

Terms 2 and 3

**LONG SLEEVED SHIRTS ARE NOW IN STOCK!**

## Year 8 Drama Opportunities

This year we are offering students in Year 8 the opportunity to participate in a co-curricular afterschool Drama club as students in Year 8 don't get the opportunity to study Drama as an elective until Year 9. Boys are all competing in Winter Sport and have found time to also participate in this activity. We have a wonderful group of boys involved who are all passionate about Drama.

On Tuesday 17th of May it was our second session. Seven talented boys participated in the Drama Club with the focus being on play-building. Here the boys self devised a short performance that was socially relevant to them. To achieve this they brainstormed as a group issues that were relevant such as; sibling rivalry, school pressures and the pressure to succeed. From this idea they explored the issues further coming up with three different sub issues that were under the umbrella of their chosen topic. The boys were asked what do you want the audience to take away from the performance? What do you want them to think and feel? After a brief discussion the boys decided that they wanted the audience to take away that school

is not the same as it was when their parents went to school and came up with the motif 'See it is not the same' which was repeated throughout the performance. Breaking off into three groups, each group was responsible for one area being investigated and taking the role of director had to devise a short skit that the whole ensemble could participate in. After performing their skits to the group they directed each other in their scenes, always focusing on what they wanted to convey to the audience. They worked on interesting transitions between their scenes to complete their performance.

Through this process of play-building they learnt new dramatic terminology and skill, how to work collaboratively as an ensemble, the importance of considering the audience when creating a piece of theatre and leadership and directorial skills.

I look forward to watching their skills develop over the next two Terms.

Alison Jinga  
Head of Drama

### Uniform Shop Opening Hours

Terms 2 and 3

- Monday 10.30am to 2.30pm
- Tuesday Closed
- Wednesday 1pm to 5.30pm
- Thursday Closed
- Friday 10.30am to 2.30pm

## Preschool Recycling Project

The Waterford preschool children are currently working on individual construction projects which require the use of a range of recycled items such as bottle top lids, squeeze yogurt lids, buttons and small (2cm) tiles. We are also looking for small (10-20cm) off cuts of soft wood. If you have these items at home and are willing to donate them to the preschool we would be most grateful. We have 60 masterpieces to create!

In addition we are always looking for donations of other recycled items such as ribbons, coloured card, envelopes, material, wool and other collage items. Please feel free to drop these items to the preschool at 44 Henrietta Street between 8am-3.30pm or call 9389 2094 if you would like to discuss the items suitability.

Thank you  
 Fiona MacGregor  
 Director of Preschool

## Social Justice Update

### Cook Out for the Homeless

This week twenty-one Year 11 students accompanied me to The Big Kitchen in Flood Street to prepare food for the homeless of Sydney. This was an initiative of the organisation "Kids Giving Back". The boys prepared and packaged food for the Rough Edges Café in Darlinghurst. After listening to the story of a man who spent many years living on the streets of Sydney, the students travelled to Rough Edges to deliver the food. Over one hundred homeless people had a hearty home-cooked meal on a cold evening thanks to our students. The staff at the kitchen commented on how polite and diligent our students were on the day.

### ERA for Change

In Home Group teachers and students have been asked to discuss pressing political issues in the lead up to the election. Each group expressed an issue that they believe to be very important. I will share this document with ERA for Change, an advocacy group set up to represent EREA schools. The group intends to contact the major political parties to give them some insight into the concerns of our young people. It's been reported that a shocking 38% of 18 year olds still have not registered to vote! I think it is important that our students grow up to feel part of the political process.

### Kids Giving Back First Aid Course for Teens

Kids Giving Back FIRST AID COURSE for TEENS age 14+ is just around the corner - First Aid is not just important, it's vital.

## Director of Mission

### Your Choicez Seminar For Young Men

Last Friday, 20th May, 2016, Mr David Kobler from Your Choicez presented a “Seminar For Young Men” to our Year 11 students. This presentation covered topics such as Manhood and Male Image, Dating, Relationships and Pornography. The day consisted of visual presentations, media images, research statistics and small-group discussion. The day was well received by the students and I would like to thank the following staff who volunteered to facilitate the student groups: Mr Aird, Mr Barr, Mr Boyd, Mr Brennan, Mr Cornish, Mr Dominish, Mr Leddie, Mr McCoy and Mr Moylette. I would also like to acknowledge the organisation that Head of Year, Ms O’Sullivan provided to make the day a success.

On Thursday evening, 19th May, Mr David Kobler gave a presentation to parents regarding Raising Teens. This was well supported with over one hundred parents in attendance. Mr Kobler’s presentation included media images, research results and statistics, discussion questions and concluded with a focus on the harmful effects of pornography.

Parents seeking further information can go to Mr Kobler’s website: [yourchoicez.com.au](http://yourchoicez.com.au)

The question was raised during the evening as to what Waverley College does to protect its students from pornographic and other undesirable material. The Waverley College Website contains information that will answer this question. Please use the link: <http://tinyurl.com/he2rzto>

### Feast of Our Lady Help of Christians

Last Tuesday, 24th May, Mr Evans and Mr Davis accompanied Year 9 Student Representative Council students from Waverley College, who gathered with students from all the Catholic Schools in the Sydney Archdiocese, to celebrate the feast of our Patroness, Mary, Help of Christians in St Mary’s Cathedral, the ‘spiritual home’ of Catholics in Australia.

Some information concerning this Feast is as follows:

Powerful devotion to the Blessed Virgin Mary was a feature of Catholic Life in the colonial township of Sydney from its beginnings in 1788.

In the long years without a priest to preach and administer the sacraments, the reciting of the Holy Rosary was a source of consolation to the Catholic people and an important means of expressing, teaching and reaffirming their Catholic faith.

In 1820, Fr John Joseph Therry, arrived in the Colony of New South Wales as the first Catholic Chaplain. Unwanted land near the convict barracks on the edge of town was given to Fr Therry for the construction of the first Catholic church to be erected in Australia. This building was named in honour of the Blessed Virgin Mary: “St Mary’s Chapel.”

With the arrival in 1835 of Sydney’s first Bishop, John Bede Polding, the chapel became St Mary’s Cathedral.

The devotion of the Catholics of the Australian colonies to the Mother of God was acknowledged and reaffirmed by the First Provincial Synod of Sydney in 1844, which elected as Patron Saint of

Australia the Blessed Virgin Mary under the title Mary, Help of Christians whose Feast Day is 24th May.

(Information sourced from Mass Booklet, Mass for the Solemnity of Mary Help of Christians, St Mary’s Cathedral, 24/07/07).

I would like to thank the following Year 9 Students for the way they conducted themselves as representatives of Waverley College: Lucas Antulov, Rocco Evans, Cooper Flynn, Joshua Gleeson, Luke Harris, Brad Marzol, Harrison Newton, Logan Ryan as well as Mr Evans for his assistance regarding this occasion.

Mr Phil Davis  
Director of Mission

# HEALTH ELEMENTS

**LIVING WITH PURPOSE, BUILDING ON HEALTH..**

**JUNE 13-19 2016**

## MEN'S HEALTH WEEK

### What's on?

During Men's Health Week, communities across Australia reach out to men, boys and their families to promote health and wellbeing.

Waverley College Men's Health Week aims to get every student to reflect on their health and identify ways it can be improved. We need to acknowledge that there is a significant gap between the health of men and women in Australia – at Waverley College, we are doing something about that!

#### Men's Health Facts

- 34% of men are obese.
- 48% of men do not meet daily physical activity recommendations.
- More men die of prostate cancer than women die of breast cancer.
- 1 in 2 Australian men have had a mental health problem at some point in their life.
- On average 5 men each day take their life through suicide in Australia.
- Men make fewer visits to the GP but more visits to the emergency department than women.

#### The week will include guest speakers:

- Fresh ED – Personal Care & Wellbeing seminars
- Liam Knight

#### Lunch activities to be held in the gym:

Day	Activity	Year group
Tuesday June 14	Beep test	Year 7 (5A) & Year 8 (5B)
Wednesday June 15	Cross Fit (5B)	Years 10/12
	Meditation (5A)	Years 7/9/11
Thursday June 16	Cross Fit (5A)	Years 9/11
	Meditation (5B)	Years 8/10/12
Friday June 17	Yoga (5A and 5B)	Years 11/12

**SPEAK TO YOUR PDHPE TEACHER ABOUT PARTICIPATING**

## Music Notes

### Studio Concert

Last Thursday, 19 May, guitar students gave a recital in the PAC recital room. This was the first of our Studio concert series this term. All students involved study with Mr Paul Peipman. Anyone who is interested to see the progress of our students in their instrumental studies is welcome to attend these concerts which start at 5.30 and generally last an hour or so.

Pictured below from Left to Right: Ewan Wall performing Cherry Wine by Hozier, Marco Bell performing Perfect by Tyler, Tom Faddy on Requinto, a small guitar, performing Dangerous Curves by the Australian composer, Richard Charlton, Luke Cochrane performing Georgia by Vance Joy, Dylan Purbrick performing Mess is Mine by Vance Joy and Jourdan French performing Daydreams by Richard Charlton

### Music Supporters Meeting

Parents and friends interested in becoming involved in the Waverley College Music Supporters Group in 2016 are invited to attend the meeting below.

- Date: Tuesday 31 May 2016 at 7.30am
- Location: Performing Arts Centre

Please advise by email to the PAC Supporters Group if you are able to attend. Anyone unable to attend but interested in assisting are encouraged to register their interests also: [PAC\\_supportersgroup@waverley.nsw.edu.au](mailto:PAC_supportersgroup@waverley.nsw.edu.au). All are welcome!

### Australian Music Education Board Examination Results - Saxophone

Congratulations to the following Saxophone students on completion of Grades with the Australian Music Examinations Board: Jack Fingleton, Oliver Ruse, Jae Eun Yoon, Alexander Paris Valenzuela, Angus McPherson, Sam Trustrum (Pictured below - missing from the photo: Andrew Tinellis and Mack Trustrum).

Mr C Blenkinsopp  
Music Department

## Coming Events

- Tues 31 May, 7.30am: Music Supporters meeting
- Fri 17 June, 7.00pm: Music Festival, PAC Auditorium
- Tue 21 June, 1pm – 3pm: Jazz Band and Saxophone Ensemble, Charingfield

## Tennis Report

This week's tennis fixture saw an away-game against Knox Grammar School. It was to be a long day with both teams fighting hard for all points played. Unfortunately Knox was able to quickly compose themselves into the matches, and not allow Waverley to gain full stride. In spite of this, some great matches were played and the teams were given their all.

Special shout out to Patrick Veron (Captain of 1st IV) who hit one of the hardest, accurate and most deft smashes that I have ever seen, and one that the Knox team most certainly never saw coming!

Opens Man-of-the-Match: Kolt Piggins-Massaad (1sts)  
Kolt has shown great performances these past couple of weeks, especially in his singles set, often being the only one to win the set in the 1sts. Also, since Kolt is only in Year 7, he is playing boys well above his age group – with them often being around 5 years older than him.

This match against Knox however, was something special compared with Kolt's others. Kolt was down 3-5 in the match, but through grit and determination, managed to win the set 7-5. He has shown all the other boys in the 1sts and 2nds that despite being the underdog, we can still win.

Junior Man-of-the-Match: Nikita Nikitenko (7As)  
Nikita won his singles set 6-2 on the weekend and has been a consistent performer over the recent weeks. Unfortunately, he just missed out on winning the doubles set with his partner Kyle McBride, taking it to a tiebreaker but just losing 6-7 (4-7).

## AFL Winners

As you can see from the photo great news that CIS made history yesterday. By winning the NSWPSA Australian Football Championships. In a massive upset CIS Beat Riverina 51-25 in the grand final. In the 37 year history of the championships Riverina has won 30 and Mackillop has won 7. CIS has finally got a third name on the trophy.

Ethan Smith

The food spread in the Opens age group that was put on by Knox was "smashing" according to Jonty Kupershteyn (2nds), with his particular focus being on the assortment of biscuits and cakes. With a bit of indecisiveness, he eventually gave the spread an overall score of 7.5/10 donuts.

The following week's games are against Cranbrook and I have no doubt that Waverley will be able to have more success than previous matches as we have finally gained momentum, and have a yearning for victory built up from the close results in the previous fixtures.

Good luck to everyone and their respective teams for the next home games against Cranbrook.

Andrew Cotton  
Captain of Tennis

## Senior School Canteen Roster

### WEEK 6

- Mon 30/5
- Tues 31/5  
Jackie Gandy, Michelle Beckley
- Wed 1/6  
Nadja Paolella, Angela Schacht, Paula Tsalousis
- Thurs 2/6  
Jodie Hocking, Danielle Bingham, Carolyn Palmer
- Fri 3/6

## Football News

### CAS Round 3 vs Knox

On the weekend our teams took the long journey out to Knox College for Round 3 of the CAS competition. As always Knox was strong in all age groups making it hard for our teams to come away with a win. Some of the notable results from the weekend were the following 6th XI win 3-0 and the following teams had a 1-1 draw 7th XI, 9As, 7As.

This weekend will be a home game against Cranbrook. The teams will be a great test to see how our teams have built upon their skills to hopefully come away with a win. I would like to wish all our teams the best of luck for this weekend and remember to play in a good team spirit.

### Captain's Report

Waverley College 1st XI vs Knox 2-1 loss

The firsts were very unlucky to not come away with the points they seemed to be the better team on the park but sadly the scoreboard didn't reflect their efforts, not for the lack of trying with one of their best performances as a team for the entire match. The team appears to be constantly improving and look to make a late surge for the CAS title, starting with what we hope will be their first of many victories for the season this Saturday against Cranbrook at queens park.

Waverley College 2nd XI vs Knox 3-1 loss

The seconds were also quite unlucky to come away with the points as it seemed as though they were playing well for 95% of the match while in the other 5% small mistakes led to goals, they have also been improving and will look to get their first win of the season against Cranbrook this Saturday.

Costa Fragias  
Captain of Football

### Football Supporters Club BBQ

Football will also be hosting the BBQ on the 4th of June at Queens Park, if any parents are available to help please send me an email. I have also sent out an email with a roster for volunteers to put their name down.

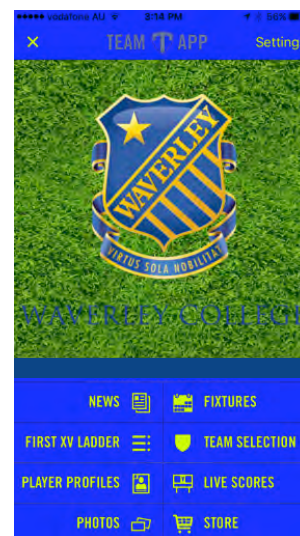

### Game expectations

Players are reminded to wear the correct Waverley uniform to matches on

Saturdays. This includes Waverley Football Jersey, shorts and sock; shin guards and boots. If they are cold they can wear the Waverley sports jacket over the playing gear.

Players are also reminded that they are to turn up 30 minutes before the game starts for a warm up. Players are not to turn up for a game they prefer due to times; they are to turn up for the team they are in. If players are unsure of teams they can check the canteen notice board.

Waves to Win!

Convenor of Football

## The Bondi Cup – Waverley College supporting SurfAid through surfing

Waverley College is helping to support SurfAid, a Non Government Organisation working with people of the Mentawai Islands of Indonesia.

Many of our students are already familiar with SurfAid because we study the organisation as part of our Geography Stage 5 Syllabus (study of Aid). SurfAid's work also fits with the College's commitments to Social Justice and encouraging students to be global citizens.

Now, SurfAid is holding a fundraising surfing contest at Bondi Beach – right in our backyard. A team of five students are taking up the challenge on behalf of Waverley College.

We have a fundraising page online and would very much appreciate any contribution, large or small, in support of our team and SurfAid.

Please visit:

<http://www.surfaid.org/>

<https://give.everydayhero.com/au/waverley-college>  
Year 10 student Liam Flanagan created our striking SurfAid Poster, shown here and also displayed around the College.

Brad Thompson  
Teacher

## THE SURFAID CUP

A SURFING CONTEST AT BONDI BEACH

Waverley College is entering a team to represent the College and raise funds for the amazing organisation SurfAid. And the top fundraising team will walk away with the SurfAid Cup fundraising trophy. We want boys to raise money to support our team, most of us live near the beach and many of us are surfers. SurfAid's work links surfing to helping those in need. To donate go to the link:

<https://give.everydayhero.com/au/waverley-college>

## From the Convenor of Rugby

### 1st XV Match Report - Waverley College Vs Knox Grammar School

Waverley College made the trip up the Pacific Highway to take on the 2015 CAS competition champions, Knox Grammar School. Both sides were undefeated entering Round 3 of the 2016 season and were looking to take the outright competition lead with a win.

Knox Grammar, on paper, had a very impressive line-up with the size of Basson and Frost in the pack, the control station of Bosch and Woodcock in the halves and the speed of Stocks out the back. This looked to be a very well balanced team.

Waverley suffered a blow before a whistle had been blown, with Captain Lachlan Drew-Morris forced out due to injury. Finn Wright made his way back into the starting team, adding some go forward into the Waverley "Tight Five".

Conditions were ideal for rugby on the impressive Knox 1 ground. The opening exchanges were very physical. Knox kept to its structures, and Waverley played its entertaining, ad-lib style. Neither side took a backward step as both teams looked for the early ascendancy.

It was Waverley who was able to go over first, with a try to Zach Carr. This came on the back of some excellent counter attacking play by James Mood. Knox evened up through its structures. This time it was a well-rehearsed driving maul.

The Waves fought on to regain the lead, following some razzle-dazzle rugby from Tyzac Jordan. This work led to Finn Wright barging over in the corner. When the Jackson Mohi train steamed down the sideline to score just in front of Warrawee Station, the visitors were clear by 15. All the momentum was with Waverley.

Soon after the halftime break, the momentum shifted. The 15-point lead soon became 8. The 8-point lead soon became 1. The pendulum had swung. Knox was able to capitalise on the increased possession they had in the second half.

Despite strong individual defensive efforts by Will McCormick and Edenn Rogers-Smith, the defensive line as a whole began to crack. Knox was able to run in five unanswered tries in the second half. To add to Waverley's woes, Rogers-Smith, Jordan, Mohi and O'Sullivan were forced off the field with injuries.

The final match score was 38 – 23 in favour of Knox. The Knox Grammar School Director of Rugby, Matt Williams, described the score line as unfair at the after match function. The former NSW Waratahs and Scotland Coach praised the efforts of the Waverley side who were well and truly in the contest for a majority of the match.

Waverley College Captain, Lachlan Drew-Morris, commented that credit had to be given to a very clinical Knox Grammar side who were outstanding in their second half fight back.

While many of the Waverley players were disappointed with the result, they will need to lift ahead of the local derby against Cranbrook. Cranbrook come off a convincing 36-15 victory against Barker College, and is a side that command respect.

### Around the Grounds

The 2nd XV had a day they would rather forget at Knox. Things just did not go to plan for the Waves as everything that could have gone wrong, went wrong. Dominic Cartmer was the only try scorer in the 17-7 loss. On a positive, the 2nd XV definitely matched it with Knox and will get a second chance in Term 3. The 3rd XV had an entertaining 19-5 victory, with some phases of play that were very enjoyable to watch. Ethan Howe scored a nice try off some dazzling skills displayed by Will Morton. The 4th XV's win was courageous. It was the first time our 4th XV have tasted victory at Knox in well over a decade. Oliver Mahoney did a wonderful job to seal the win with a run away try out wide. The 5th XV went down 32-10, however, showed plenty of improvement from their Round 1 match against the same Knox side.

The 16As welcomed back Tadhg Murphy with a thrilling win. After leading most of the match 14-0, Knox scored two quick tries. With 'last play' signalled, Knox had a scrum in the centre of the field. Waverley was able to regain possession and Corey Kallis ran away with it to secure the win. Johnson, Whiteman and Molloy were exceptional at the breakdown. The 16Bs just went down 14-10. Again, this was a massive improvement from the Round 1 match against the same opponents. Unfortunately, the 16Cs were short on players due to several players calling in sick late on Saturday morning. We wish Caleb Lockwood all the best, after he sustained a nasty injury in this match.

The 15As met a very strong Knox side. Despite strong efforts from Alex O'Reilly and Marco Moretti, Knox ran away with the win 29-0. The 15Bs just came up short of the win, going down 27-21. Luca Winch a standout. Joseph Moroney kicked 6 from 6, to get the 15Cs home 49-15. The 15Ds also had a solid win with Ryan Jones showing class at fly half. The 15Es welcomed back Cooper Donaldson from injury, but unfortunately could not get the win for him.

The 14As showed plenty of improvement. At halftime the scores were tied and Waverley looked very much in the game. Knox pulled away in the end but the 14As can definitely hold their heads up high. The 14Bs also showed great improvement having a nice win with Michael Gerolimos, Flynn Wild, Hugh Johnston and Michael Momcilovic scoring tries. Matthew Douglas put in another hardworking effort for the 14Cs and the 14Ds had a great 20-12 win, with the ever-reliable Zac Wotherspoon leading the way.

The 13s had a very competitive day at Knox. The mighty 13As continued on their winning ways, with Jack Hickey the man of the match. Fin Medley had a strong game as the 13Bs showed tremendous improvement to just fall short 5-0. Noah Steiner and Nicholas Quinn played well in the 13Cs win. Baxter Flynn showed fantastic leadership in difficult conditions in the 13Ds match. The 13Es displayed great enthusiasm in their match and the 13Fs, who had the very first game on Saturday at Knox (at a very early timeslot of 8am), had a massive 54-7 victory and represented Waverley College in such a positive manner! Well-done lads!

### CAS Round 4 VS Cranbrook School

This weekend sees the local derby between Cranbrook and Waverley College. For the second time (and the final time in Term 2) our 13s, 16s and Opens play on our home turf of Queens Park. Our

## From the Convenor of Rugby ...continued...

14s and 15s play just around the corner at Bellevue Hill. As Cranbrook do not match up with all our teams, some of our teams will be playing against a variety of schools. We have ensured that all teams playing at isolated venues will have reserve players available.

The main game will be played at Queens Park at 3:15pm. Cranbrook will be keen to keep the momentum of the season going following a win against Barker College. Waverley will be looking to pick up after a very hard week against Knox. This should be an exciting match to watch, as the local battles always seem to be.

### Lost Property

Over the weeks we have collected a significant amount of lost property following trainings as well as game days. Just last week I personally collected five pairs of school shoes, three school blazers (worth \$180 each), school trousers, sport tracksuits and much more. I was seriously considering opening up my own uniform shop at one stage!

Please note that any lost property found at Queens Park will be taken up to the lost property bin located at the Waverley College Front Office. Any non-Waverley items of clothing, which are found at Queens Park, will be taken to Vinnies. Any items that cannot be donated to charity, such as underwear and socks, will be thrown into the bin.

Obviously if lost items of clothing are labelled clearly we will do our best to get those items back to the owners. Boys need to ensure they take more care for their own property.

### Unsung Heroes

I would like to recognise the efforts of some of Waverley's unsung heroes who volunteer time and energy to make each Saturday work. At 6:30am each Saturday morning, you will find Darren Ellis and Rino Tomasiello (both passionate Old Boys) setting up the canteen and BBQ. They set up the tents, get the BBQs in order and put the pies in the oven, which many of us enjoy consuming while watching the rugby in the afternoon.

Ever wondered who fills the Queens Park fridges with all those drinks? That would be Margaret Morton. "Margie" and her husband John (Father of Will Morton – Year 12) spend numerous hours during the week ensuring the fridges are full and the canteen is clean for service each Saturday.

On another note, 16s player Sebastien Rasmussen was ruled out for the season with an injury. Seb still turns up early each Saturday and spends hours walking around the park ensuring the playing fields and viewing areas are clear of rubbish and are presentable to guests. He does not complain, but does his duty with a tremendous amount of effort knowing that what he is doing is having a positive impact on his school and his community.

Without these "unsung heroes" we would not be the strong community we are today. On behalf of all players, coaches, supporters and visitors I would sincerely like to thank these individuals who go well beyond the call of duty. Thank you!

Good luck to all teams in Round 4 of CAS!  
**WAVERLEY TO WIN!**

John McCoy  
Convenor of Rugby

## From the Careers Desk

### The HSC and Careers Expo 2016

2nd – 5th June 2016, Royal Hall of Industries, Moore Park, Sydney

The Expo includes exhibitors from tertiary institutions, training organisations, employers, career and gap year resources. Admission is \$10 per person, with school group discounts available.

<http://www.hsccandcareers.com.au/>

### Professional Cadetships Australia: Technology Cadets

Cadets will work at the Westpac Group in Sydney while studying at university in computer science, information technology or information systems.

Applications are now open and close 17th June 2016. <http://www.professionalcadets.com.au/engineering-technology-cadetships-how-they-work.asp>

### Student Parent Information Evening at UNSW Art & Design

Thursday, 23 June 2016 from 6:00 PM to 8:00 PM, UNSW Art & Design - Greens Road, Paddington, NSW 2021

Student Parent Information Evening at UNSW Art & Design is a chance for students and parents to hear about what it means to be a practicing artist, designer, animator, filmmaker or curator. Have your questions answered by our knowledgeable students and staff. Register now at <http://bit.ly/1Yc5vZ3>

### Study in Victoria

Senior students and parents are invited to learn about the application processes and study options available in Victoria. Presentations will be given by the University of Melbourne and the Victorian Tertiary Admissions Centre (VTAC). Wednesday 1 June 2016, 6.15 pm arrival for 6.30 pm start (6.30-7.00pm: University of Melbourne presentation; 7.00-7.30pm: VTAC presentation; 7.30-8.00pm: University of Melbourne Q&A). Monte Saint Angelo Mercy College, O'Regan Arts and Cultural Common Theatre, 128 Miller Street North Sydney NSW 2060.

RSVP is essential at: <https://www.trybooking.com/LBOG>

### Chartered Accountants: Cadetships

The Chartered Accountants Employment Guide 2016 contains information on firms offering cadetships to year 12 leavers. If students are interested, they ought to be applying for cadetships as soon as possible.

Download the guide: <http://charteredaccountantsanz.com/guide>

### Ernst and Young Cadetship Information Evening

1st June 2016, 5:30pm, EY Office, 680 George St, Sydney

The evening will provide information on the Cadet Program offered, with the chance to talk to current cadets and other people in the business. The event is directed at year 12 students or those in the first year of university.

<https://www.facebook.com/events/130660967334499/>

### UTS: Law Undergraduate Information Evening

22nd June 2016, 6pm to 8pm, UTS Building 5, Block B, Cnr Quay St and Ultimo Rd, Haymarket

The event is directed at students in years 11 and 12, who are interested in studying law. The evening will include information on various degree options, practice-oriented learning, entry pathways, student life and one-on-one consultations with staff and students.

<http://www.uts.edu.au/about/faculty-law/events/law-undergraduate-info-evening>

### ACU Elite Athlete Program

ACU's Elite Athlete Program has been established to support future and current students who have maintained a record of excellence in sporting performance throughout their studies and wish to pursue a sporting career alongside an academic one. Future students deemed to be Elite Athletes will be eligible to receive up to five bonus points towards an entry score and greater flexibility when studying at ACU.

### **ADFA Open Day**

The ADFA Open Day will be held from 9.00 am to 4.00 pm on Saturday, 27 August 2016. Defence and University staff will be available to provide careers and course information. ADFA Navy Midshipmen and Army and Air Force Officer Cadets will also be available to talk to attendees about life at ADFA.

Open Day will also provide an opportunity to see a range of displays from the Army, Navy and Airforce. <http://www.defence.gov.au/adfa/Events/>

### **Sydney TAFE Open Day**

27th August 2016, 9am to 4pm, 651-731 Harris St, Ultimo

Open day will provide prospective students with the opportunity to learn more about the study options available, tour the campus, take part in hands on activities, attend career information sessions and more.

<http://sydneytafe.edu.au/newsevents/events/sydney-tafe-open-day-2016>

### **UNSW Built Environment Portfolio Workshop**

Date: 5 August

Time: 9.30am-12.30pm

Find out more about alternative admission by coming along to the workshop event. UNSW Built Environment recognises that your Australian Tertiary Admission Rank (ATAR) or equivalent may not reflect your potential in creative thinking and making.

We are pleased to offer you the alternative admission scheme to give you the opportunity to submit a portfolio of your work to support your ATAR. This workshop will provide you with information, advice and practical skills that will help you design, layout and construct your own portfolio for submission. <https://www.be.unsw.edu.au/events/1-day-workshops-high-school-students-%E2%80%93-year-10-11-12>

### **UNSW Elite Athletes and Performers Bonus Point Guide**

<https://www.futurestudents.unsw.edu.au/sites/default/files/uploads/EAP%20Web%20Guide%202016.pdf>

### **CATC: Open Day**

1st August 2016

Open day will provide the chance to ask questions about the diploma courses offered, learn where a career in the creative industry can take you, meet current students and practitioners and more.

<http://www.catc.edu.au/about-us/upcoming-events/sydney>

### **Changes to Police Officer Recruitment Process**

The main changes to the recruitment process include no minimum academic requirement, introduction of a University Certificate in Workforce Essentials, the entrance exam is now known as the Police Entrance Exam, copies of transcripts and other mandatory documents need to be certified by a Justice of the Peace, online application via JobsNSW and a case office will contact applicants once applications are received.

<http://www.police.nsw.gov.au/recruitment/home>

### **UNSW: 5 Steps to getting the Most out of a Careers Expo**

<http://unswfuturestudents.tumblr.com/post/118340968712/5-steps-to-getting-the-most-out-of-a-careers-expo>

### **Applying to the Australian Defence Force Academy**

It is advised that students wishing to study at ADFA apply in year 11 as it is a competitive selection process which may take up to 12 months to complete.

Gaining entry to ADFA is a dual process which requires students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.

An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.

<http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx>

### **AIT: Free Digital Workshops**

25th June 2016, 9:30am to 4pm

The sessions offered on these dates include intro to game design, intro to concept art, intro to film editing and intro to 3D animation.

<http://www.ait.nsw.edu.au/free-day-courses-sydney/>

### **The University of Sydney: HSC Science Exam Preparation**

4th July – 6th July, The University of Sydney, Camperdown Campus

Highly qualified science teachers will deliver workshops providing students with hints and strategies that will enable them to improve their HSC performance.

Full-day sessions will be held on each HSC Science subject.

Contact: +61 2 9763 2751 or [office@stansw.asn.au](mailto:office@stansw.asn.au) <http://sydney.edu.au/science/outreach/high-school/stansw/revision-days.shtml>

### **University of Sydney: HSC Essay Writing Course**

4th to 8th July 2016, 1:30pm to 5pm

11th to 15th July 2016, 1:30pm to 5pm

These courses cover structuring text, organizing information, writing introduction, developing supporting paragraphs and writing conclusions. To book a place, follow the link below.

<https://cce.sydney.edu.au/course/ESH5>

### **University of Sydney HSC Preparation Courses**

The courses run at various times throughout the year. There are preparation courses for biology, chemistry, economics, exam preparation, legal studies, music, visual arts, business, design and technology, English, history, mathematics and physics. Dates for specific courses can be found by following the below link. <https://cce.sydney.edu.au/courses/education/hsc>

## Notre Dame

### **The University of Notre Dame Australia Course Info Evening**

Wednesday 1 June 5.30pm

The University of Notre Dame Australia 140 Broadway, Chippendale

The Course Information Evening is ideal for Year 12 students. Explore university study options, course/s of interest, our unique applications process, the student experience at Notre Dame and speak with academic staff from:

To attend, please register at [www.notredame.edu.au](http://www.notredame.edu.au) or contact the Prospective Students Office on 02 8204 4404 or [sydney@nd.edu.au](mailto:sydney@nd.edu.au) for further information.

### **University of Notre Dame Young Achievers Early Offer Program**

Applications open mid-March. There are four categories students can apply in, commitment to community and/or Church, commitment and excellence in cultural pursuits, commitment and excellence in sporting achievements and academic excellence. For any further questions email: [sydney@nd.edu.au](mailto:sydney@nd.edu.au) <http://www.nd.edu.au/nav-future-students/young-achievers-early-offer-program>

### **Notre Dame: Getting to Know Nursing**

7th June 2016, 6pm, 160 Oxford St, Darlinghurst

For students interested in a career in nursing, the event will provide the opportunity to speak to academic staff and a guest speaker, who will give an insight into what a career in nursing is like.

<http://www.nd.edu.au/events/2016/getting-to-know-nursing>

### **Notre Dame Open Day**

27th August 2016, 9am to 3pm
