

## House Athletics Carnival

8:30am – 3:15pm, Thursday 23 June, E. S. Marks Field, Randwick

College tracksuits for travel +  
house shirt & shorts at venue

**FAMILIES WELCOME**

## From the Head of College

### Congratulations to our Pre-School

Our pre-school has recently been audited by the Early Childhood Education and Care Directorate of the Department of Education. This involved rigorous documentation, site visits and a thorough assessment of the practices and relationships at our Pre-School. In all 7 Quality Areas, Waterford Pre-School achieved "Exceeding the National Quality Standard". The assessment areas included: Educational Program and Practice; Children's Health and Safety; Physical Environment; Staffing Arrangements; Relationships with Children; Collaborative Partnerships and Leadership and Service Management.

The overall comments in the report were extremely positive:

"Your service is commended for its achievements in providing quality outcomes for children. In particular, planning to extend children's learning, reflective practice and a willingness to collaborate with families to enhance children's wellbeing, demonstrate the commitment to quality by educators at your service. It is recommended that management and educators continue to reflect on current practice to maintain the quality outcomes evident during this assessment and rating process."

My congratulations are extended to Director of Preschool, Fiona MacGregor and all of the Preschool team for this outstanding result.

### Our New Building is Operational

In the past fortnight our new TAS building has become fully operational with staff and students using all of the amazing new facilities. Student comments have included: "It's the Gordon Ramsay of commercial kitchens!" "There's so much space." "More equipment means more time on individual projects." It is a building that will inspire students and teachers alike, and it is certainly a proud time for me, to see these longstanding plans come to fruition. A formal opening is now being planned for Term 3.

Finally, a reminder that tomorrow is our Founder's Day Holiday and the school will be closed.

Ray Paxton

## From the Director of Junior School

### End of Term

With only a couple of weeks to go before the end of the term it is very pleasing to walk around the different classrooms as see the boys hard at work.

**Please note:** School finishes on Friday June 24 and recommences for Term 3 on Tuesday July 19.

### Communication

I may be talking to the converted by asking this in the Nurrunga but I need again to stress the need for parents to read any communication sent home. Our main means is through our Skoolbag app which was discussed at the information nights at the start of the year. So if you haven't already done so please download it to your phone or tablet.

### Resilience

I spoke to the boys again regarding resilience and how they can deal with issues that may arise both at school and home. It would be appreciated if you could continue this discussion at home with your son.

To assist I've included an excerpt from the Parenting Ideas website by Michael Grose. Michael has an education background, and holds a Master of Educational Studies with research into what makes healthy families tick website on building resilience.

Resilience is a 21st Century parenting concept that every parent needs to understand. Some kids are resilient by nature – their temperament helps them to be mentally and psychologically tough. You know those kids. They get straight back up after a setback or disappointment. Rejection in the playground doesn't faze them.

Unfortunately, not every child has such natural resilience. The good news is that most of the research shows that resilience can be nurtured and developed, particularly when parents themselves are resilient and they actively foster it in their kids. Resilient kids share four basic skill sets- independence, problem-solving, optimism and social connection.

### Building Resilience

From a resilience perspective parents need to coach kids through some of their more challenging moments and reviewing what they may have learned for next time. Avoid solving all their problems for them.

You can promote a lasting sense of resilience in your kids by:

1. Having a positive attitude yourself. Your attitude as a parent impacts on their ability to bounce back from some of the difficulties they face. Make sure you model a 'you can do it' attitude for your child when he meets some of life's curve balls.
2. Look for teachable moments. Many kids' learning opportunities are disguised as problems. Make the most of these opportunities so that kids can grow and learn from some of the challenges they face.
3. Make kids active participants in the family. Active participation in a family develops the self-help, problem-solving and independence skills of kids that are necessary for resilience. Build kids coping skills. There are plenty of strategies you can pass on to kids to help them cope when life doesn't go their

way, including acceptance, getting away for a while, and normalisation.

Promoting resilience in kids is a not a single event but a continuous process that requires adults to be supportive and empathetic when things don't go their way. It also requires you as a parent to have an understanding of resilience, so you have faith in yourself, and your child's ability to cope.

### Technology

I ask all parents to become more aware of their son's use of technology which includes their laptops and mobile devices at home. I'm not a big fan of our Junior boys having a Facebook, Instagram or other social media account at this stage in their life but if you have allowed your son such a privilege it is your responsibility to ensure it is been used appropriately. Even websites like YouTube require monitoring at home. The teachers at school can only do so much but with your support the boys will be engaged in a positive way.

### Edmund Rice Day

Next Friday June 17 the boys will be celebrating the life and works of the founder of the Christian Brothers - Edmund Rice through a number of different activities. The boys at the Junior School are constantly challenged to imitate Edmund in the way he always thought about those around him who were less fortunate. With this in mind this Edmund Rice Day the boys will be supporting 'Kids helping Kids' with a mufti day (\$2 donation) and a number of fund raising activities throughout the day. Your support of this initiative is greatly appreciated.

### Honour Awards

Congratulations to the following boys who received honour awards over the past couple of weeks:

Keyaan Abrahams	5 Blue
Kai Chavez	6 Blue
Dakota Fanning	6 Gold
Darcy Ferguson	6 Gold
Peter Fragias	5 Gold

## Weekly Prayer

Let us pray this week for all people – our friends and family, our school and wider community who are suffering or going through difficult times.

God of all,

Whenever we are blinded by the pain and turmoil of this broken world,

do not let us forget:

you see more than we see,  
you hear more than we hear,  
you know more than we know,  
you grieve more than we grieve.

Remind us once again that as we cry out to you for our world, for our society, and for those who are most vulnerable within it,

that you offer stability when all seems unstable.

You offer security when all seems insecure.

You offer us Jesus when nothing and no one else will do.

Amen.

### CIS Touch Football

Congratulations to Bailey Habler who has been selected in the Primary CIS Touch Football team to compete in the NSWPSA Boys Touch Football Championships – Tamworth from Tuesday, 26 July 2016 - Thursday, 28 July 2016. Well done Bailey and all the best of luck.

### NSW Primary Schools AFL Team

Congratulations to Ethan Smith on his selection in the NSW PSSA AFL Team that will compete in the Sporting Schools Australia (SSA) 12 Years & Under AFL Championships in Maroochydore, QLD from Saturday, 23 July 2016 - Saturday, 30 July 2016. Ethan will be selling raffle tickets over the next week to assist in the costs of the tournament so your support would be greatly appreciated.

### Sports Training

Please note that there will be no training for all teams in last week of the term to give the teachers an opportunity to complete reports. Training in Term 3 commences on Tuesday July 19.

### Thank You

A special thank you to Mr Hodgson, Mr Le Vay, Mrs Perks, Mrs Waterson, Mrs Crotty, Mrs Grant and Mrs Stynes who helped out in the recent da Vinci Decathlon by driving boys to or from Knox. Ms King and the boys were very grateful for your time and energy (especially putting up with the traffic).

### Photos

If anyone has photos from Saturday sport or any other Waverley College event that they would like to share with the rest of the College community could I ask you to send them in on a disk or memory stick to the Junior School office.

Mr Anthony Banboukjian  
Director – Junior School

Please RSVP to [tessa.pentony@waverley.nsw.gov.au](mailto:tessa.pentony@waverley.nsw.gov.au) by Wednesday 8 June 2016.

## Head of Co-curriculum

### Acknowledgement of a Huge Waverley Supporter

Each Saturday in winter, Eastern Suburbs identity, John 'The Hammer' Hammond can be found supporting Waverley College at Queens Park.

John, a close friend of the Waverley dynasty the Doyal's, proudly leads the First XV out at every home match.

When not at Queens Park, John works at Doyle's on the Wharf Watsons Bay where he is affectionately known as 'Captain of the Bay'.

His sporting interest goes beyond Waverley College supporting the Sydney Roosters from the Chook Pen, the Sydney Swans, Sydney FC and NSW Waratahs. John loves nothing more than engaging in some friendly banter with opposition supporters.

John enjoys swimming at Bondi Beach and is a stalwart of Bondi Icebergs.

Prior to our most recent home match against Cranbrook, John was presented with a personalized jersey by First XV captain, Lachlan Drew-Morris.

I would encourage the entire Waverley family to look out for and say hello to Hammer when you are out and about in the eastern suburbs or at our home matches at Queens Park.

### Footballers get a taste of Elite Coaching

Recently, the First and Second Football teams had a training session led by Chelsea FC under 16 and 17 years Academy Coach Mr Frank O'Brian.

Frank was responsible for bringing a number of First team players through the academy system such as John Terry. Frank also works closely with the First team manager, Guss Hiddink.

The College thanks Mr Patrick Darvill for giving our boys the opportunity to train under such an elite level of coach.

### Corey Finds success in Manilla

Year 11 student Corey Spiteri is currently Fencing for Australia in the SEA Pacific Cadets Championships in Pasig, Manilla Philippines.

Corey who competes in the under 17 years as well as the under 20 years age groups did a great job despite sustaining a bruised hand resulting from a training mishap achieving a third place overall.

Congratulations to Corey.

Patrick Brennan  
A/Director of Co-Curricular

John 'The Hammer' Hammond

Year 11 National Fencer – Corey Spiteri

## Intertidal Ecosystems at Sydney Olympic Park

Under clear blue skies on Wednesday, the Year 12 HSC Geography students undertook fieldwork relating to Ecosystems at Risk.

Student James Corry explains:

'On the 8th of June, myself and seven other students had the pleasure to travel out to Bicentennial Park located in the Sydney Olympic Parklands to explore our wetlands. It was a great opportunity for myself and the other students to consolidate our knowledge of the history and functioning of the wetlands and the risks associated with being so close to a major city like Sydney. Overall, it was a great day enjoyed by all and will help us prepare for upcoming Assessment Tasks. We would also like to thank Mr. Thompson for organising a great day.'

Case studies are a requirement of the HSC Geography Curriculum and we're fortunate to be able to study intertidal wetlands 'on the ground' as well as 'in theory'.

Students were able to make use of GIS (Geographic Information Systems) technology to research change over time in the area. They observed and measured features such as soil structure, distribution of flora and fauna and wind speed, and explored management and protection strategies, both traditional and contemporary.

Brad Thompson  
Geography Teacher

# Library & Resource Centre

## Feature DVD: Australian Rules

Rating M

2002 film based on the novel *Deadly, Unna?* by Phillip Gwynne, *Australian Rules* tells the story of sixteen-year-old Gary Black: average football player, budding wordsmith and reluctant hero.

Gary helps his local Australian rules football team win the championship by accident, falls in love with a beautiful Aboriginal girl from the Mission, and becomes tangled in a terrible conflict with the people of his small coastal town.

*Australian Rules* is a story of unexpected love and the bravery of one young man in a town ready to explode. Before it does, Gary Black is going to have to change some of the rules.

## Social Justice News

### Refugee Council Visit

All of Year 10 took part in presentations and workshops delivered by the Refugee Council during their Reflection Days this week. The presenters attempted to dispel many of the myths surrounding Asylum Seekers and Refugees. They heard stories from refugees who risked their lives to travel to Australia from war torn countries. The boys were very receptive and the presenters commented on how involved they were during the workshops. I think the students left with a deeper understanding of a very complex issue.

Geraldine Cullen

Assistant Director of Mission

## Religious Education Faculty Update

The touchstone of Gospel Spirituality was very much evident at the inaugural Inter-Faith Conference at Moriah College on Wednesday 8 June. The college's strategic plan aims to create further opportunities for students, staff and parents to engage with Indigenous, church, Christian and non-Christian communities in relation to shared beliefs and understandings.

A group of 22 Year 11 students of Studies of Religion II represented Waverley College, with students from Moriah College, St Catherine's School, Granville Boys High and Rose Bay Secondary College. The boys engaged with peers from the other Abrahamic faiths of Judaism and Islam. One highlight was the visit to the College Synagogue where Rabbi Solomon allowed the students to experience a Torah scroll. Another was the demonstration of prayer forms by students, with boys from Moriah College demonstrating the wearing of tefillin and a student

from Granville Boys High engaging in a chant from the Qur'an. More importantly, it allowed the boys time to engage with students from different faiths, cultures and backgrounds.

The last address was given by the Attorney General for NSW, Gabrielle Upton who spoke about the need for inter-faith dialogue in our community and the unity and sense of community that is experienced in diversity.

The boys were excellent ambassadors for Waverley College and engaged in some deep conversations around aspects of faith and contemporary society.

Martina Cooper

Head of Religious Education

## MEN'S HEALTH WEEK

### What's on?

During Men's Health Week, communities across Australia reach out to men, boys and their families to promote health and wellbeing.

Waverley College Men's Health Week aims to get every student to reflect on their health and identify ways it can be improved. We need to acknowledge that there is a significant gap between the health of men and women in Australia – at Waverley College, we are doing something about that!

#### Men's Health Facts

- 34% of men are obese.
- 48% of men do not meet daily physical activity recommendations.
- More men die of prostate cancer than women die of breast cancer.
- 1 in 2 Australian men have had a mental health problem at some point in their life.
- On average 5 men each day take their life through suicide in Australia.
- Men make fewer visits to the GP but more visits to the emergency department than women.

#### The week will include guest speakers:

- Fresh ED – Personal Care & Wellbeing seminars
- Liam Knight

#### Lunch activities to be held in the gym:

Day	Activity	Year group
Tuesday June 14	Beep test	Year 7 (5A) & Year 8 (5B)
Wednesday June 15	Cross Fit (5B)	Years 10/12
	Meditation (5A)	Years 7/9/11
Thursday June 16	Cross Fit (5A)	Years 9/11
	Meditation (5B)	Years 8/10/12
Friday June 17	Yoga (5A and 5B)	Years 11/12

**Register for all events in the folders  
outside Mr Leddie's Office.  
Numbers are limited.**

## From the Convenor of Rugby

### A Wet Weekend!

After a great run of dry weather so far this season, with very minimal interruptions to training sessions or fixtures, Mother Nature finally decided to unleash. And she did not miss! Most sporting fixtures across Sydney were cancelled due to the wild weather.

Waverley College was still represented by the mighty 15D/Es and 13Fs, whose matches went ahead in the driving rain. I would like to thank all those players and families who braved the conditions, travelling to St Joseph's College.

On a positive note, the Waverley teams that played did fantastic jobs. The 15D/Es scored a sound victory and the 13Fs match was an extremely tight and entertaining battle, as displayed in some memorable photos! Well done to both teams.

### 15D/E's Match Report

It was a wet and muddy game for the 15D/E's game against St Joseph's. Even in the wet conditions the team walked away with a victory. This victory would not have been achieved if it weren't for Gian Bonanni and Logan Ryan's hit ups when the ball was open for them to collect. Ryan Jones made sensational tackles when they were defending. To sum it all up, it was a great day and great victory for 15D/E's!

Logan Ryan

15D/Es Player

### Representative Selection

The U/16's CAS South Harbour Vs North Harbour representative teams were selected last weekend, following the first five rounds of CAS. For those who are not familiar, the South Harbour team is made up of selected U/16s players from Waverley College, Cranbrook and Trinity Grammar. The North Harbour side is made of U/16 players selected from Knox Grammar, Barker College and St Aloysius' College.

This match is a trial for selection in the CAS U/16s team, to be coached by our own Scott Coleman (1st XV Coach) and Stephen O'Donnell (13As Coach). The U/16 CAS team will then play at the NSW U/16 Tournament on June 25th & 26th.

The South Harbour Vs North Harbour match will take place at Cranbrook (Horden) at 2pm on Thursday 9th June.

### Waverley College U/16s South Harbour Representatives

- Harley McGuigan
- Luca Moretti
- Harry Whiteman
- Connor Molloy
- Tadgh Murphy
- Reece Thorn
- Daniel Andrews
- Max Towns
- Corey Kallis

Coaches: Mr Scott Coleman & Mr Stephen O'Donnell

### Co-Curricular Awards

Over the years, student achievements in sport have only usually been recognized at the end of the season. Waverley College will now be recognizing students who make exceptional contributions in co-curricular activities throughout the season.

Students who are identified as making significant contributions in rugby (as well as other sports) will be presented with a commendation certificate. These achievements will also be documented and tracked on student records.

### 1st XV "Catch Up Match" Vs Barker College

The Waverley College 1st XV will be playing CAS Round 5 against Barker College on Friday 10th June at 3:15pm. This match will be played at Barker Oval and will be a make up match for the cancelled fixture last Saturday.

As this is our Founder's Day holiday for all Waverley College students, players and families are welcomed to head up to Hornsby to support our boys. Students supporting will still be required to wear Waverley College uniform if supporting at the ground.

### End of Term 2

As this weekend is the Queen's Birthday Long Weekend, most players and coaches (and parents!) will be enjoying a well-deserved break from Saturday sport.

Training will resume for the 16s and Opens on Tuesday 14th June. Training will resume for 13s, 14s and 15s players on Wednesday 15th June. These are important sessions ahead of our final round of rugby for the term, against St Aloysius' College on Saturday 18th June.

Enjoy a restful weekend!

WAVERLEY TO WIN!

Mr John McCoy

Convenor of Rugby

## From the Careers Desk

### University of Wollongong: Early Admission

Applications open: 1st August 2016

University of Wollongong early admission enables students to gain entry into university before receiving their ATAR.

For more information visit:

<http://www.uow.edu.au/future/early-admission/index.html>

### The University of Notre Dame: Young Achievers Early Offer Program Applications Close

Applications close 29th July 2016, 4pm

The early offer program enables students to face their HSC examinations with the benefit of reduced stress and added confidence knowing they have already gained entry into their chosen course at The University of Notre Dame. Prospective students are able to apply under one of four categories:

- Commitment to community and/or Church
- Commitment and excellence in cultural pursuits
- Commitment and excellence in sporting achievements
- Academic excellence

<http://www.nd.edu.au/nav-future-students/young-achievers-early-offer-program>

### Professional Cadetships Australia: Technology Cadets

Cadets will work at the Westpac Group in Sydney while studying at university in computer science, information technology or information systems. Applications are now open and close 17th June 2016. <http://www.professionalcadets.com.au/engineering-technology-cadetships-how-they-work.asp>

### Student Parent Information Evening at UNSW Art & Design

Thursday, 23 June 2016 from 6:00 PM to 8:00 PM, UNSW Art & Design - Greens Road, Paddington, NSW 2021

Student Parent Information Evening at UNSW Art & Design is a chance for students and parents to hear about what it means to be a practicing artist, designer, animator, filmmaker or curator. Have your questions answered by our knowledgeable students and staff. Register now at <http://bit.ly/1Yc5vZ3> RSVP is essential at: <https://www.trybooking.com/LBOG>

### UNSW Industrial Design Workshop

12th July 2016, 9:30am to 3pm, UNSW Kensington Campus. The interactive workshop will provide interested students with an insight into the challenges facing industrial designers. To register follow the link below. <https://www.futurestudents.unsw.edu.au/industrial-design-workshop>

### UNSW Interior Architecture Workshop

14th July 2016, 9:30am to 3pm, UNSW Kensington Campus. The interactive workshop will provide interested students with an insight into the work of an interior architect, with a focus on understanding the use of space. To register follow the link below. <https://www.futurestudents.unsw.edu.au/interior-architecture-workshop>

### UNSW Architecture Workshop

15th July 2016, 9:30am to 3pm, UNSW Kensington Campus. The interactive workshop will provide interested students with an insight into the work of an architect, looking at how buildings are designed. To register follow the link below.

<https://www.futurestudents.unsw.edu.au/architecture-workshop-1>

### UNSW Landscape Architecture Workshop

15th July 2016, 9:30am to 3pm, Gallery, Ground Floor, West Wing, Red Centre Building, UNSW. The interactive workshop will provide interested students with an insight into the work of a landscape architect, with a focus on how both the built and natural environment is managed. To register follow the link below. <https://www.futurestudents.unsw.edu.au/landscape-architecture-workshop>

### University of Sydney: Explore Engineering

11 – 13 July, The University of Sydney, Camperdown. The University of Sydney is delivering a workshop in the July school holidays for year 9 and 10 students interested in finding out more about engineering. Students will participate in hands-on activities and meet current engineers and engineering students. They will also be tasked with solving a real-life engineering problem and will get the opportunity to present their findings at the end of the workshop. Applications close 10 June. For more information and to apply: <http://sydney.edu.au/engineering/high-school/explore-engineering>

### Chartered Accountants: Cadetships

The Chartered Accountants Employment Guide 2016 contains information on firms offering cadetships to year 12 leavers. If students are interested, they ought to be applying for cadetships as soon as possible. Download the guide: <http://charteredaccountantsanz.com/guide>

### UTS: Law Undergraduate Information Evening

22nd June 2016, 6pm to 8pm, UTS Building 5, Block B, Cnr Quay St and Ultimo Rd, Haymarket. The event is directed at students in years 11 and 12, who are interested in studying law. The evening will include information on various degree options, practice-oriented learning, entry pathways, student life and one-on-one consultations with staff and students. <http://www.uts.edu.au/about/faculty-law/events/law-undergraduate-info-evening>

<http://www.uow.edu.au/openday/index.html>

### University of Newcastle Open Day

20th August 2016, 10am to 4pm, Newcastle Campus, University Drive, Callaghan  
Contact: [studentrecruitment@newcastle.edu.au](mailto:studentrecruitment@newcastle.edu.au)  
<http://www.newcastle.edu.au/events/future-students/newcastle-open-day>

### UNSW Built Environment Portfolio Workshop

Date: 5 August Time: 9.30am-12.30pm  
Find out more about alternative admission by coming along to the workshop event. UNSW Built Environment recognises that your Australian Tertiary Admission Rank (ATAR) or equivalent may not reflect your potential in creative thinking and making. We are pleased to offer you the alternative admission scheme to give you the opportunity to submit a portfolio of your work to support your ATAR. This workshop will provide you with information, advice and practical skills that will help you design, layout and construct your own portfolio for submission.  
<https://www.be.unsw.edu.au/events/1-day-workshops-high-school-students-%E2%80%93-year-10-11-12>

### UNSW Elite Athletes and Performers Bonus Point Guide

<https://www.futurestudents.unsw.edu.au/sites/default/files/uploads/EAP%20Web%20Guide%202016.pdf>

### BOSTES News: Updated advice for HSC students about examinations

<http://news.bostes.nsw.edu.au/blog/2016/3/23/updated-advice-for-hsc-students-about-examinations>

### Applying to the Australian Defence Force Academy

It is advised that students wishing to study at ADFA apply in year 11 as it is a competitive selection process which may take up to 12 months to complete. Gaining entry to ADFA is a dual process which requires students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC. An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.  
<http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx>

### AIT: Free Digital Workshops

25th June 2016, 9:30am to 4pm
