8:30am – 3:15pm, Thursday 23 June, E. S. Marks Field, Randwick

College tracksuits for travel +  
house shirt & shorts at venue

**FAMILIES WELCOME**

## From the Head of College

### Reconciliation Week

Reconciliation was the focus of our Home Group activities at the Senior School this week. Students learnt that National Reconciliation Week is bookended by two very significant dates: May 27 represents the 1967 referendum where 90% of Australians voted to give the Commonwealth the power to make laws for Aboriginal and Torres Strait Islander peoples and to recognise them in the national census. The other bookend date is 3 June, which commemorates the High Court of Australia's landmark Mabo decision in 1992, legally recognising that Aboriginal and Torres Strait Islander peoples have a special relationship to the land—a relationship that existed prior to colonisation and still exists today.

As a Member school of Edmund Rice Education Australia (EREA), the College implements a comprehensive strategy developed in 2008 - the EREA Aboriginal and Torres Strait Islander Education Policy. The policy reflects our strong commitment to "working with and walking alongside" Aboriginal and Torres Strait Islander Peoples in the educational endeavour. It covers six key domains:

**Access:** We are committed to encouraging and supporting Aboriginal and Torres Strait Islander students, families and staff to access and participate in Catholic education.

**Education for Reconciliation:** We are committed to furthering Reconciliation through conscious and deliberate curriculum and extra-curricular initiatives.

**Authentic Relationships:** We are committed to developing collaborative, authentic relationships and partnerships with Aboriginal and Torres Strait Islander families and local communities, respecting their role in supporting student learning.

**Quality Education:** We are committed to providing a quality and culturally enriching education for all students, underpinned by high expectations, where each is supported to realise their potential and where equitable outcomes for Aboriginal and Torres Strait Islander students is a clear goal.

**Spirituality and Cultural Awareness:** We are committed to recognising, supporting, valuing and promoting understanding of Aboriginal and Torres Strait Islander spiritualities, cultures, histories and contemporary issues.

**Justice and Advocacy:** We are committed to working with and walking alongside Aboriginal and Torres Strait

Above: College Captain and 1st XV Captain, Lachlan Drew Morris and Tyzac Jordan were part of our first Welcome to Country ceremony held for the commencement of the winter sport season, conducted by respected Aboriginal artist, Tim Ella.

*Islander peoples, advocating justice and promoting Reconciliation*

Waverley's programs include outreach activities such as our Walgett immersions; a range of visits by Aboriginal educators; support programs for Aboriginal and Torres Strait Islander students; and events such as our recent Welcome to Country at Queens Park, which involve the broader Waverley College community.

To quote Reconciliation Australia:

*As Australians, we are all here, woven into this country.*

*As part of our reconciliation journey, there are truths to tell, stories to celebrate, and relationships to grow.*

*Reconciliation is at the heart of our nations' future.*

Waverley College is proud to join our nation's reconciliation journey.

Ray Paxton  
HEAD OF COLLEGE

Below: The Edmund Rice Education Australia Priority Domains for Aboriginal and Torres Strait Islander Education Response.

## From the Deputy Head of College

### Early Dismissal on Monday 6 June

A reminder that the school day will end at 2:30pm next Monday 6 June for all Senior School students (Years 7 to 12) to allow for a whole school staff meeting.

The Junior School will finish at the normal time of 3.00pm.

All Monday sport/co-curricular training will also be cancelled.

### Talking Angela

The following information has been forwarded to the College by the NSW Police:

There is an app young children are using called 'Talking Angela' designed by a company called Outfit 7 Limited. The app was designed for young children to dress up their cat, 'Angela'. Children can take video of themselves on this app and upload it for their friends to view. It has come to the attention of Police that the app is being used by child sex offenders who can access accounts and cameras and view children using the app.

Another recent concern regarding older students is that child sex offenders are posing as photographers on sites like Facebook and Instagram and asking to photograph children. Many claim to be 'casting agents' to entice children to think they are going to be the next big model.

Please ensure your children are aware of and protected from these issues.

### Change your social media passwords following a series of high profile security alerts

You are advised to change your social media passwords following a series of reports about data leaks, including email addresses and passwords from social networking sites Reddit, Tumblr and Myspace.

Reddit has advised it is enforcing the reset of 100,000 user accounts following LinkedIn's data breach announcement where more than 117,000 email addresses and passwords were stolen. Reddit has also reported an increase in its own user accounts being accessed illegally by malicious individuals and spam-based third parties. You are advised to change your password and check your activity page to identify any suspicious account activity.

Reddit advises that its security measures have not been compromised, however it has taken action due to the risk of account takeover by malicious individuals using password information from other breaches. The social media's blog cites weak password choice and reusing the same account credentials for different sites as contributing to this risk.

Tumblr has advised that more than 65 million passwords were recently stolen. Tumblr sent a password reset request to affected customers in early

May 2016. You are advised to change your password as a precaution.

You should be aware that the passwords are protected, however the stolen information also includes email addresses. This allows malicious individuals to send phishing emails that look like they come from Tumblr and may contain specific personal information about you to make these emails appear legitimate. You are advised to be cautious when clicking links in emails from Tumblr. Visit Tumblr's Account Security page to learn more about protecting your account.

The login details of more than 360 million Myspace accounts have reportedly been leaked on the web. Myspace has advised that email addresses, usernames and passwords for the affected Myspace accounts created prior to June 11, 2013 on the old Myspace platform are at risk. Myspace has invalidated all user passwords for the affected accounts. You are advised to change your password even if you have not accessed your account recently.

#### Staying safe

You are advised to use strong, unique passwords for all social media accounts and be aware that your social networking profiles often include information that could be used to steal your identity (for example to open a bank account or apply for a credit card in your name).

Never use the same password on social media that you use for your email account. This reduces the chances of a hacker logging in to your account.

Have a different password for each social networking site so that if one password is stolen, not all of your accounts will be at risk.

You are advised to change your passwords for Myspace, Reddit and Tumblr immediately to help minimise your risk. Stay Smart Online has guidelines on choosing strong passwords that cannot easily be guessed.

Strong passwords are difficult to guess and should generally be:

- greater than 10 characters long
- a mix of upper and lower case letters, numbers and other symbols.

Do not include:

- recognisable words or names, in any language
- repeated characters
- personal information
- anything you have previously used.

#### More information

Stay Smart Online has information about setting strong passwords and socialising safely online.

The information provided here is of a general nature. Everyone's circumstances are different. If you require specific advice you should contact your local technical support provider.

Mr Graham Leddie

DEPUTY HEAD OF COLLEGE

## From the Director of Junior School

### School Sport

Now that winter sport is well under way it is a good time to remind ourselves again that the purpose of our sports program is not about winning but about our boys participating and competing with sportsmanship and integrity.

The IPSHA Code of Behaviour is very clear for competitors, coaches and parents – it would be appreciated if you could go through them with your son.

### Codes Of Behaviour For School Sport (Based on IPSHA Aims and Principles of Junior School Sport and Aussie Sport)

#### Players' Code Of Behaviour

- Play by the rules.
- Never argue with an official.
- Control your temper. Verbal abuse of officials or other players, deliberately distracting or provoking an opponent is not permitted in any sport.
- Work equally hard for yourself and/or for your team. Your team will benefit so will you.
- Be a good sport. Applaud all good plays, whether they are by your team, opponent or the other team.
- Display modesty in victory and graciousness in defeat
- Treat all players as you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Co-operate with your coach, teammates and opponents. Without them there would be no competition.
- Place in proper perspective the isolated incidents of unsporting behaviour rather than make such incidents the 'highlight' of the event.
- If a player is sent off during the game, a one-week suspension is recommended.
- Thank the opposition and officials at the end of a game

#### Spectators' Code of Behaviour

- Children play organised sports for fun. They are not playing for the entertainment of spectators only, nor are they miniature professionals.
- Applaud good performances and efforts from each team. Congratulate all participants upon their performance regardless of the game's outcome.
- Respect the officials' decision.
- Never ridicule or scold a child for making a mistake during a competition.
- Positive comments are motivational and encourage continued effort.
- Condemn the use of violence in any form, be it by spectators, coaches, officials or players.
- Show respect for your team's opponents. Without them there would be no game.
- Encourage players to follow the rules and the officials' decisions.
- Demonstrate appropriate social behaviour by not using foul language, harassing players, coaches or officials.

- Comments should not interfere with the running of the game.
- Focus on the efforts and performance of the children rather than the result.

#### Praise

Praise is encouraged at all levels.

#### Complaints

Complaints concerning the conduct of games; should not be made during or after the game and should be referred to one's Head of Junior School and any action should be left to his/

her discretion. UNDER NO CIRCUMSTANCES should parents contact schools directly.

All grounds must be kept clean - litter must be placed in the bins provided.

I was passed on a great message about children and sport that I would like to share -

*'Your child's success or lack of success in sports does not indicate what kind of parent you are. But having an athlete that is coachable, respectful, a great teammate, mentally tough, resilient and tries their best IS a direct reflection of your parenting'* – very powerful thoughts.

### Special Mention

The Year Six Futsal Team comprising of Hugo Defina-Sperando, Charles Tyrell, Zigi Mann, Noah Gilmour, Alex Morris, Kia Puntigam, Luke Kraljevic and Riley Vidulich who won the Under 13 Division of the Bankstown Futsal Schools Regional Championships with a hard 1-0 over Claremont College. Many thanks to all the parents for their support and especially Mr Puntigam for coaching the team.

Congratulations to all the boys who trialled for the CIS rugby team this week. Well done to Bailey Habler, Tom Martin, Jasper Doyle and Solomon Tugiri who just missed out on selection. Great news is that we had 3 boys make the team for the PSSA Championships – well done to Hamish Morrison, Ethan Smith and Lucius Cappadona on their selection. I'm sure the boys will have a great time and represent the College with pride in the upcoming NSW PSSA Rugby Championships to be played in Mudgee from Tuesday, 23 August 2016 to Thursday, 25 August 2016.

Good luck to Bailey Habler in his CIS Touch Football trial this week – hopefully I can report some good news next week.

### Special Notice From Mrs Rollins

Please note: all Cantores and Waterford Band boys will be performing at the Music Festival at the PAC on Friday June 17th at 7.00pm.

### Sports Training

A reminder to parents to ensure their sons are picked up on time after training and it is extremely helpful if they know where you are picking them up from. Please note that due to the Queen's Birthday long weekend there are no games on Saturday 11 June.

## Weekly Prayer

### Visitation of the Blessed Virgin Mary

Tuesday 31st May, we celebrate the Visitation of the Blessed Virgin Mary.

After the angel Gabriel had announced to Mary that she was to become the mother of Our Lord, Mary went from Galilee to Judea to visit Elizabeth, soon to be the mother of John the Baptist. Elizabeth greeted Mary with the words, "Blessed are you among women, and blessed is the fruit of your womb."

Mary burst forth with the song of praise which we call the Magnificat, beginning, "My soul proclaims the greatness of the Lord." We are told that even John the Baptist, still unborn, leaped for joy in his mother's womb.

My soul magnifies the Lord  
And my spirit rejoices in God my Savior;

Because He has regarded the lowliness of His handmaid;

For behold, henceforth all generations shall call me blessed;

Because He who is mighty has done great things for me,

and holy is His name;

And His mercy is from generation to generation on those who fear Him.

He has shown might with His arm,

He has scattered the proud in the conceit of their heart.

He has put down the mighty from their thrones,

and has exalted the lowly.

He has filled the hungry with good things,

and the rich He has sent away empty.

He has given help to Israel, his servant, mindful of His mercy

Even as he spoke to our fathers, to Abraham and to his posterity forever.

Amen.

St Mary of the Cross: Pray for Us

Blessed Edmund Rice: Pray for Us

Live Jesus in our Hearts: Forever

## From the Director of Junior School ... continued

### Canteen

Thank you to all the parents and boys supporting our canteen and a reminder that the canteen is open for breakfast each morning – the hot chocolate is a big favourite on these cold mornings.

### Homework Club

Please note that the homework club finishes at 4.45pm – it would be appreciated by all concerned if you could ensure your son is collected on time.

### Photos

If anyone has photos from Saturday sport or any other Waverley College event that they would like to share with the rest of the College community could I ask you to send them in on a disk or memory stick to the Junior School office or email them to [waterford@waverley.nsw.edu.au](mailto:waterford@waverley.nsw.edu.au)

Mr Anthony Banboukjian  
Director – Junior School

## Audrey Coupe Retires from ASRU

For those who did not know, Junior School Secretary, Audrey Coupe has recently stood down from many years working for the Australian Schools Rugby Union. Here is the tribute to her in the recent Australian Schools Rugby Union Newsletter:

*"Anybody who has attended an ASRU event has no doubt met Audrey Coupe. She has acted as the primary contact for fundraising events, championships, Test dinners, Committee meetings and just about any other activity of the Union. Her Irish charm ensuring we all did as we were told and everything ran smoothly. Her energy and organisation will be greatly missed. At the ASRU AGM in March Audrey was farewelled and presented with the Merv and Iris Allan Award 2016, for Services to Schools Rugby."*

Audrey what a wonderful contribution you have made to a sport Waverley celebrates and many of us here still love. Thank you for your care and support of many generations of future rugby stars and those who just went on to continue to love the game. Your contribution is noted by us all and we thank you and congratulate you for your efforts and involvement in a volunteer role. We honour your contribution to the sport.

Greg Harris  
Assistant Director of Junior School

## Director of Mission: Lacey House Mass

The Lacey House Mass was celebrated by College Chaplain Fr Milani on Monday 23rd May 2016.

The Year 7 Lacey students did a very good job of dramatising the Gospel 'The Judgement of the Nations' (Matthew 25:31-50), while House Captain, Bryce Dean gave the following insightful Reflection on the EREA Touchstone 'Justice and Solidarity', which is our focus for 2016.

Mr Phil Davis  
DIRECTOR OF MISSION

Today I invite everyone to give thought to words of the Gospel of Matthew, The Judgement of Nations. In summary, this parable emphasises the importance of serving and caring for others. Those who recognised and acted upon unjust situations, the "sheep", were sent to heaven, whereas those who turned a blind eye to these situations, the "goats", were not allowed to reap the benefits of the Kingdom of God. This gospel message corresponds with one of the four Waverley touchstones: the touchstone of Justice and Solidarity.

Some of you may be asking "What does Justice and Solidarity really mean?"

To those I answer, to act fairly and reasonably whilst encouraging unity of action among individuals with a common interest in seeking out the greater good in society.

Martin Luther King said "Injustice anywhere is a threat to justice everywhere". This quote places importance on the need to abolish unjust circumstances in order for justice to evolve and flourish.

As men of Waverley and of Lacey House, you may be wondering how the words of the Gospel can be put into action and what the touchstone stands for.

I believe that this can be demonstrated through exerting a positive influence on unjust situations at home, school or even those that arise within the wider community.

At home, fixing the unjust situation may be as little as helping out around the house more than we currently do, whether it be completing all the chores your parents ask you to do, or not constantly battling with your siblings over, often, petty matters that involve your parents stepping in to resolve the situation. Although this isn't a massive example of alleviating an unjust situation, such as helping the homeless, it still portrays how easily an unjust situation can be mended by simple actions.

At Waverley College – with over 1200 boys full of testosterone – conditions that encourage conflict and confrontations can arise. From this, unjust situations can develop, and all it takes is some initiative to take action yourself, or to get a teacher involved to diffuse the situation. From the Parable: are we going to stand up and take action like the "sheep", or turn a blind eye like the "goats"?

I ask all boys of Lacey House this question;  
Are you going to stand up and diffuse the situation?

Or are you going to be a bystander and let the event unfold?

I challenge all boys to be the former, to be the one who takes the initiative, and be the one who takes the bold action.

What you may not know is that by standing up to these unjust events, you are encouraging other boys to do the same, thus creating a ripple effect and thereby creating a sense of solidarity within Waverley.

Edmund Rice Education Beyond Borders is an organisation that has an effect on the global community with the sole aim of providing education to all children around the world who are poverty-stricken and cannot afford education, something that we take for granted everyday. Again, I reiterate that it is only another simple action – the simple action of donating a couple of dollars each day, it doesn't have to be at the time of Lent – that goes a long way in helping a child go to school. All it takes is raising \$300 per Home Group that can send a child to school for one year. Through the Lacey BBQ and individual homegroups we have raised a total of .....

Throughout our life, there are injustices occurring around the world, whether they affect us or others at home, at school or those that have an effect on a global scale. But we at Waverley College are so lucky to have such a strong social justice program that anyone can actively participate in. What is even more special is that there is a social justice activity for each House, Lacey's being the Walget emersion, which I hope boys from year 9, will take part in.

I hope that everyone is able to take one aspect of justice and solidarity from this reflection and apply it in the future.

Thank you.

By Bryce Dean  
House Captain

### Change to Senior Reception Hours from Term 3

Senior Reception opening hours will change from Term 3. The new hours will be 8am to 4pm.

## Head of Co-curriculum: High Achievers in Sport

### Wallaby Enforcer and Social Justice Advocate Pops into Queens Park

On Wednesday 25 May, David Pocock met with a group of students from Waverley College at the Queens Park Pavilion.

While many of our football heroes often don't live up to expectations off the field, David Pocock is the exception.

Recently he received a three-week Super Rugby suspension for an incident in the Brumbies' loss to the Chiefs.

Pocock manned up to his actions, thanking the tribunal for his suspension and offering a heartfelt, convincing apology which was roundly praised on social media.

At the end of 2010, he and his best friend Emma held a commitment ceremony before family and friends in Perth; they have pledged to refuse to enter into marriage until it is open to same-sex couples in Australia. David also stopped a match against the Waratahs in 2015 because of a homophobic slur from an opposition player.

David and his friend Luke O'Keefe run a not-for-profit organisation, Eightytwo Vision, which has the aim of helping the less fortunate people of Zimbabwe.

David is concerned about climate change and the damage to the environment from human activities. He has publicly expressed his views on these issues and has taken part in action. Most notably, he visited the Leard Blockade against the expansion of the Maules Creek mine in the Leard State Forest and was arrested for taking part in a nonviolent protest.

David talked to our students about his memories as a young player and where his passion for social justice developed.

David then talked about the perceptions of masculinity amongst adolescents.

Students took the opportunity to ask David questions in a Q & A forum then enjoyed a kick with David on our very own Queens Park.

### Will Cooley 2nd in NSW State Sailing Championships

Year 8 student Will Cooley placed 2nd at the NSW Optimist Sailing State Championship.

166 sailors competed in the State Championship held on Lake Macquarie. The variable weather conditions made for tight and challenging racing over the two-day regatta.

The NSW State Championship is one of the lead up events for Will, as he prepares to represent Australia this June/July at the Optimist World Championships in Vilamoura Portugal.

Will has had a busy few months racing and training in Victoria, New Zealand and South Australia as part of the Australian Optimist Sailing Team.

At home, Will has been training four days per week. The after school sessions on the harbour are tough but good fun, sailing back to Rose Bay in the dark!

At the same time, Will ensures he meets his study and co-curricular commitments at Waverley College.

When asked what it's like to race a sailing dinghy,

Will suggests it's like arm wrestling and playing chess at the same time!

We wish Will every success as he prepares for the Championships in Portugal.

### Nikita Strbac makes a splash for New South Wales

Year 8 student Nikita has been successful in achieving the highest level of state representation in water polo for his age group having been selected for the NSW U14A Blues team.

Nikita also represents the College in Waterpolo under the guidance of Waterpolo Convenor Mr James Horrocks.

Nikita will represent New South Wales at the East Coast Challenge in Victoria and will also participate in the Pan Pacs tournament in NZ.

Nikita Strbac who will make his debut for NSW this year.

Patrick Brennan  
HEAD OF CO-CURRICULUM

Above: Nikita Strbac plays water polo for NSW.

Below: Will Cooley in NSW State Sailing Championships.

Bottom: David Pocock chats with students at Queens Park while the media look on.

## SurfAid Cup Bondi Beach

Last Friday a team of surfers from Waverley College competed in the inaugural SurfAid Bondi Cup. Ours was the only school team competing in this exciting fundraising event.

The Bondi Cup raises funds to support SurfAid's valuable work with villages in the Mentawai Island of Indonesia. As reported in last week's Nurrunga, the founder of SurfAid, Dr Dave Jenkins, gave an inspiring address to the whole College the day before the surfing event.

Despite a cool wind, the iconic Bondi Beach presented a postcard perfect day with blue skies and great surf. The College team of four surfers – Liam Flanagan, James Bodkin, Harvey Papastamos and Lewis Pepper - represented the school admirably through their sportsmanship and support of the entire event. The students helped with early morning preparations for the event, and both SurfAid staff and other competitors commented on their exemplary conduct throughout the day.

## Charter Hall

Property Group Charter Hall rewarded the students' efforts by generously contributing \$2,250 to the school's tally, assisting us to meet our ambitious fundraising goal (considering we were a late 'wild-card' entry). We also greatly appreciated the support of individual donors from the school and local community as well as the Head of College who made a donation on behalf of the College.

We were proud to be able to support the work of an NGO assisting the less fortunate in our region.

Here is a reflection on the day from Liam Flanagan:

*SurfAid Bondi Cup 2016 was an amazing day for the college. We were first heat of the day up against some pretty strong opposition. We had been sitting in third the whole time until our last surfer (Liam Flanagan) had us in second place we were all excited and pretty amped. However, it was unfortunate that we got knocked out before the finals.*

*We were also involved in the Channel 7 Sunrise coverage, a great experience. At the end of the day The Bucket List won with Macquarie topping donations.*

*Overall it was a great experience for the boys and the college. A big thanks to Mr. Thompson and Mr. Wallington for organising this event for the college and us.*

It is still not too late to make a contribution at:

<https://give.everydayhero.com/au/waverley-college>

Mr Brad Thompson  
Teacher

## Uniform Shop Opening Hours

**LONG SLEEVED SHIRTS ARE NOW IN STOCK!**

# Library & Resource Centre

## Australia's Biggest Morning Tea

On Thursday 26 May and Friday 27 May our libraries host Australia's Biggest Morning Tea. And BIG it was!

From cupcakes to coffee, tarts to tea, the array of food donated for the Morning Tea was astounding! Donations came from staff with home made treats such as Traditional Welsh Cakes, Caramel Slice, and a Paleo Cocoa Slice.

Our Hospitality boys displayed their cooking skills with scones and pizzas.

Thank you also to the Canteen ladies who helped immensely.

As soon as the recess bell rang the Library was awash with Year 12 students and staff members from all faculties. There was much merriment and a buzz of excitement as the substantial Library space was filled to its brim with teachers and students mingling together, enjoying a social occasion in support of a great cause. The Junior Library had similar success the following day.

Not forgetting that the real reason for hosting this successful event is to raise money for cancer awareness and research. By donating one dollar at a time you are making a real difference in helping to fund the Cancer Council's vital research, prevention and support service programmes.

We are thrilled to report the Waverley College Community raised a handsome \$2100.85 which eclipsed last year's effort and included an impressive \$909 donated from the boys.

Thanks to everyone who contributed to making these events such a huge success.

Sherri Falkinder  
SENIOR LIBRARY

## National Simultaneous Storytime

Last Wednesday the Library hosted the ever-popular National Simultaneous Storytime. Run by the Australian Library and Information Association, it aims to promote the importance of literacy in young children. The Waterford Preschool Students, staff and parents were delighted as our Head of College Ray Paxton read Kate and Jol Temple's 'I Got This Hat.' All in attendance had a fantastic time, listening to the story and trying on hats!

The Library would like to thank Lauchlan Muir, James Hoggett and Thomas Colman of Year 7 as well as Brandon Reid, Hugo Defina-Sperando and Conor Cahil of Year 6 for taking their time out of class and assisting us with the storytime.

We look forward to running this fantastic event next year.

## Feature Title of the Week: The Final Empire - Mistborn Book One

By Brandon Sanderson

THE MISTS RULE THE NIGHT...THE LORD RULER OWNS THE WORLD.

For a thousand years the ash fell.

For a thousand years, the Skaa slaved in misery and lived in fear. For a thousand years, the Lord Ruler reigned with absolute power and ultimate terror, divinely invincible. Every attempted revolt has failed miserably.

Yet somehow hope survives.

A new kind of uprising is being planned, one that depends on the cunning of a brilliant criminal mastermind and the courage of an unlikely heroine, a Skaa street urchin, who must learn to master Allomancy, the power of a mistborn.

What if the prophesied hero had failed to defeat the Dark Lord?

## Food Technology Visits the Fish Markets

On 26 May, Year 11 and 12 Food Technology class went on an excursion to the Sydney Fish Markets. While I can say that waking up at 5:00am in the morning to get there wasn't one of my highlights, watching the market auctions and viewing the fish was quite an experience.

The aroma of seafood on a Thursday morning welcomed us as we stepped through the doors to see a bustling room of people buying and selling fish. By the time we finished our tour, hundreds of tonnes of fish had been sold.

It was interesting watching how the Dutch auction system worked as buyers battled for fresh produce mostly caught the night before or even early that morning.

At around 8:00am the auction was already over and we were given access to view some of the fish being sold before they were carted away to transportation to the several small and large businesses around Sydney.

Some of these fish were quite large, weighing up to 100kg. As we toured around these fish markets we saw first hand how the business works and learned some new knowledge about how seafood is stored and kept fresh for the best price and a longer shelf life.

When the tour ended at around 8:30am we were able to see some of the small surrounding business and tried some of their fresh produce, which tasted quite good.

By around 9:00am it was time to leave and by then the markets were less busy.

We purchased some seafood and on return to school we were able to experiment with these purchases. It was great cooking in the new kitchens.

It was an experience that opened my eyes to the world of food marketing and would gladly take part in again.

Joseph Shanahan  
Year 11

## MEN'S HEALTH WEEK

### What's on?

**During Men's Health Week, communities across Australia reach out to men, boys and their families to promote health and wellbeing.**

Waverley College Men's Health Week aims to get every student to reflect on their health and identify ways it can be improved. We need to acknowledge that there is a significant gap between the health of men and women in Australia – at Waverley College, we are doing something about that!

#### **Men's Health Facts**

- 34% of men are obese.
- 48% of men do not meet daily physical activity recommendations.
- More men die of prostate cancer than women die of breast cancer.
- 1 in 2 Australian men have had a mental health problem at some point in their life.
- On average 5 men each day take their life through suicide in Australia.
- Men make fewer visits to the GP but more visits to the emergency department than women.

#### **The week will include guest speakers:**

- Fresh ED – Personal Care & Wellbeing seminars
- Liam Knight

#### **Lunch activities to be held in the gym:**

Day	Activity	Year group
Tuesday June 14	Beep test	Year 7 (5A) & Year 8 (5B)
Wednesday June 15	Cross Fit (5B)	Years 10/12
	Meditation (5A)	Years 7/9/11
Thursday June 16	Cross Fit (5A)	Years 9/11
	Meditation (5B)	Years 8/10/12
Friday June 17	Yoga (5A and 5B)	Years 11/12

**Register for all events in the folders outside Mr Leddie's Office. Numbers are limited.**

## Tennis Report

### Round 4, 28th May 2016

Round 4 of the Winter Season brought a home game against Cranbrook. For most fixtures unfortunately it was a wet and miserable day, which resulted in many groups not being able to play or having to stop play half way through. Despite this, some teams proceeded and pushed through the rain and cold temperatures to try and add some points to the leader board.

Unfortunately, due to illnesses and injuries, the 1sts and 2nds teams were down a few players; with Kiva Gwynne, Kolt Piggins-Massaad and Daniel Kolodziner. This resulted in the teams needing to be reshuffled, and players had to be called up from the 2nds and 3rds. For many of them it was their first time playing in a higher team. However, despite the unease, everybody stepped up to the challenge and delivered a high standard on the weekend. We thank all the boys who stepped up to fill in where needed; Luke Ferrara, Finley Lewis, Joseph Larcinese, Dylan Hackers and Isaac Abela.

Special mention goes to Ms. Fernandez and her 3rds and 4ths team. The teams all showed up ready to play despite the weather. They showed great determination and dedication as they played in the rain. Despite them all being cold and drenched, none of the Waverley Boys complained about having to play in these circumstances. However, the weather did prove to be too much of a challenge for both teams and the coaches decided to stop the match.

Opens Men of the Match this week must go to Luke Ferrara and Finley Lewis from the 3rds team. Both players had been called up to play in the 2nds team. These players gave 110% out on the court; with the highlight being when Luke Ferrara won his singles set 7-6, with the tiebreaker score being 11-9. It was a long and well-fought match! Similarly, the doubles sets that were played by Luke Ferrara and Joseph Larcinese were not reflective of the effort put in by these two players, as they were unfortunately defeated 7-5 and 7-6 (7-5). Nonetheless showing great determination in their battle.

Finley Lewis, who also unfortunately lost his singles set 6-2, played incredibly well as he battled it out against someone in a much higher position. He is a consistent player who gave it his all and was in most people's opinion evenly matched against his opponent.

Junior Man of the Match goes to Andrew Badger from the Year 9 B's team. Andrew is very new to tennis, and played so well on the weekend that he was able to secure his very first victory in a game of tennis. This is a great achievement for someone just starting out and a testament to all the hard work and effort put into the training sessions. I encourage all boys to stay strong and commitment as we approach the mid point of the winter season.

We wish to thanks all parents who supported the teams on Saturday, with special mention to those who provided such a wonderful spread of food for the Waverley and Barker 1sts and 2nds teams this week.

I wish all teams good luck in Round 5 where we will be playing against Barker on their turf.

Andrew Cotton  
Captain of Tennis

## Waverley College Mother & Son Year 12 Afternoon Tea

SUNDAY AUGUST 21 ST

CENTENNIAL PARKLANDS  
RESTAURANT  
CENTENNIAL PARK

2-4 PM

\$48 PER PERSON

RSVP BY AUGUST 5TH

*A Year 12 Mother & Son Afternoon Tea will be held at Centennial Parklands Restaurant, Sunday August 21 at 2PM. If you would like to attend with your son and would like more information please email [donna-drew@bigpond.com](mailto:donna-drew@bigpond.com)*

## Head of Senior Sport: Sport this Week

Last weekend's local derby against rivals Cranbrook showed that despite some tough contests over the last couple of years that Waverley sport is still very strong. This was displayed by both our 1sts Football and Rugby who had comprehensive victories, along with our 2nd XI Football who had a well-earned victory. Our 14A's Rugby broke their duck after playing some great rugby and should only get better from here. Our 7/8 A and B AFL sides fought hard in both of their games whilst our 1st XVIII took on the might of our 9/10 side and there were some impressive performances from many of our younger players

This week we are away to Barker. With the weather forecast it is important all players and parents regularly check the school wet weather line, as well as the Waverley College 'SkoolBag App'. Please ensure that all push notifications are turned on to receive updates regarding sport. If you do not have this App it is highly recommended that parents and students download for free. Morning games will be notified by 7am and afternoon games by 11am. At this early stage games are on as scheduled and appropriate travel plans should be made. Please also do not assume because it is raining where you live then that means that games are off at Hornsby. Please check the wet weather messages carefully. Friday night also has our CSDA Debating Elimination Rounds and I want to wish those teams that qualified all the best.

A reminder to all sports and teams that are graded - those lower grade teams that play before the next grades are expected to stay and reserve for the next game. This means for the entire match and not for the first five minutes. Unfortunately we had a number of injuries last weekend and when the coaches needed their reserves those players had already left. This message has been reinforced since the start of the season.

I would also like to remind all spectators of expectations and all sporting venues and in particular at Queens Park: Appropriate codes of conduct clearly state that any abusive language or behavior will not be tolerated and that all school sporting venues are alcohol and smoke free. This includes any spectators that are already intoxicated. If these guidelines cannot be followed then we request you consider not attending.

Next week is a short week and there is no sport on the long weekend. There will also be no training on Monday or Thursday next week due to staff meetings and an early finish to the week. However, we do have our 16's rugby players' trialing for CAS selections and we wish these players the best with their opportunities.

Good luck to all teams this week and 'Go the Waves!'

Mr Steve O'Donnell

HEAD OF SENIOR SPORT

## Football Report

### CAS Round 4 vs Cranbrook

On the weekend our teams had all battled out in the local derby to beat our close rival Cranbrook. The boys all competed with all they had with many teams coming away with a win. Some of the great results for the weekend include the 1st 4-0, 2nds 2-1, 4ths 2-0, 6th 2-1, 10Bs 3-1, 10Ds 6-0, 9Cs 2-1, 9Ds 1-0, 8Cs 2-1, 8Ds 4-0, 7Cs 2-0, 7Ds 2-1 and the 7Es 2-0. The 3rds, 10As, 10Cs and 8Bs all came away with a draw. Congratulations to our many teams who won on the weekend. This weekend we will be versing Barker at Barker. Please remember that traffic can be quite bad during the day getting to Hornsby, so please allow some extra travel time.

### Football Supporters Club BBQ

Football will also be hosting the BBQ this weekend at Queens Park, if any parents are available to help out over the day please feel free to ask one of the parents if they would like help behind the BBQ.

### Team App

Football is now using team app for many notifications including team lists, scores and fixtures. TeamApp is downloadable from the app store and can be downloaded on both Apple and Android devices. To follow Football please create an account with team app and search for 'Waverley College Football'.

### Game expectations

Players are reminded to wear the correct Waverley uniform to matches on

Saturdays. This includes Waverley Football Jersey, shorts and sock; shin guards and boots. If they are cold they can wear the Waverley sports jacket over the playing gear.

Players are also reminded that they are to turn up 30 minutes before the game starts for a warm up. Players are not to turn up for a game they prefer due to times; they are to turn up for the team they are in. If players are unsure of teams they can check the canteen notice board.

Waves to Win!

Stephen Wilmot

Convenor of Football

## AFL Report

### Year 7/8 AFL - 28 May Report

After going up against two well developed sides in Knox and Riverview, the Waverley 7/8As understood that Cranbrook would provide a challenging, yet much more even contest. Thanks to the return of Matt Higgins-Titsha, Tobias Renshaw and Monty Parsons who have been playing in the year 9/10 competition, we boasted a very experienced midfield and half back line. While the parents and supporters braved the cold on the sidelines, players on both sides showed little signs of hesitation, both playing an attacking style of footy. Cranbrook put the pressure on early, creating a lot of chances in their forward line as they took the lead by 2 goals at the first break. Waverley clicked into a new gear in the second quarter that had not been seen all season, moving the footy well in conditions that did not exactly suit. Special mention to Monty Parsons who led from the half back line, enforcing the team structure that made it very hard for Cranbrook to gain momentum. Oliver Rinder and Brock Preston were once again strong in the middle, but it was the overall enthusiasm and aggression of all the boys, that saw us take a 2 point lead into the final quarter. The final term was intense as Cranbrook refused to let us run away with the win. Waverley's tackle pressure was outstanding as Cranbrook came closer to kicking a last-minute winner.

Amazingly, the match ended in a draw. 30-30. Perhaps a fitting tribute to the efforts of both sides. All boys finished with a smile and their heads held high.

Special mention to Rex Crabb, Cooper O'Donnell and Noah Mitchell who played on with a few battle bruises.

Best on ground:

- Montgomery Parsons
- Matt Higgins Titsha

### Year 7/8 AFL - 21 May Report

This week's game was a tough one, in trying conditions, the rain lashed down on Lakeside Oval opposite the SCG, against a tough Riverview opponent. Riverview were however understaffed, only having 12 available players for game, until we lent them a few players (in Luca Wilson and Bryn Parry, who unfortunately both had outstanding games, but for the other team)!

Like any wet game of Aussie rules football, the contest was bound to be low scoring and physical, especially on this massive oval, with only 14-a-side. The final score drifted away from us, due to some good counter-attacking play from the opposition, who used not only the space, but their players very efficiently, allowing them to bag some quick goals.

Final Score Riverview 43 - Waverley 15.

## Swimming News

Congratulations to Erwan Le Pechoux and Stuart Swinburn who both competed at the NSW All Schools Swimming Championships last week. Ewan achieved 5th in the 200 Butterfly, 8th in the 100 Backstroke and 8th in the 200 Individual Medley. Stuart achieved 2nd in the 200 Backstroke and 3rd in the 400 Freestyle. These are fantastic results, especially at such a high level of competition. Stuart has also been chosen to represent NSW at the Australian School Championships in Darwin this September.

The photo at right is of Stuart Swinburne with his medals at the All Schools Championships.

## PHOTO COMPETITION

**NOW OPEN  
ENDS 15 JULY**

Children and young people have told us that they are tired of being stereotyped, in particular, through the photos and images used to represent them. ACYP together with children and young people want to shift the way children and young people are portrayed in our newspapers, on our televisions, and on our screens.

If you're under 25, we invite you to participate in the Real NSW photo competition which gives you the opportunity to show NSW the real you!

Get involved by taking a photo that's a glimpse into your world, such as your creative hobbies, engaging with your local community, volunteering, playing sports, exploring your favourite places, or hanging with your friends at school.

Enter the competition to win prizes and have your photo publicly displayed.

Learn more or enter the competition here:

## From the Convenor of Rugby

### 1st XV Match Report Vs Cranbrook

The Waverley College 1st XV made their way back to home soil following a tough week against Knox Grammar. The Waves faced up against local rivals, Cranbrook, in Round 4 of CAS. Cranbrook was coming off a comprehensive victory against Barker College and was level with Waverley on the CAS competition ladder. The winner of this match would move into outright 2nd place.

Winter weather hit QP as the grey skies coupled with cold winds blew over the famous playing fields. The QP1 field itself held up well, with the surface moisture slightly impacting upon the ball movement.

Scoring started quickly after the whistle was blown with the Cranbrook fly half finding a gap in the Waverley defensive line, to go over under the sticks. Waverley soon levelled up through the impressive footwork of Tyzac Jordan. These early tries set up the flow of the match.

Cranbrook scored once again to go in front, and then it was Waverley fighting back. It was a classic seesawing affair. In many ways, this style of rugby worked against Cranbrook's grinding structures, which defeated Waverley at Queens Park in 2015, and played into the upbeat style of running rugby that the "Double V" thrives on.

At the halftime break, the home side had skipped ahead to a 31-17 lead, with tries to Finn Wright, Luca Moretti, Jackson Mohi and Tyzac Jordan, who scored his second for the half. Unfortunately, the Cranbrook 10 was forced off the field with a shoulder injury.

As the second half commenced, the late sunshine had well and truly dried up the moisture from the morning rains. Patrick Clifton was outstanding from the kick off, really stamping his mark on the game with some barnstorming runs causing havoc through the middle. This led to a well deserved try.

Waverley simply dominated the half, holding on to a high percentage of possession. Tom Fuller barged over for his first try of the season, and then it was over to Zac Carr on the wing who finished the game scoring three tries in a row. James Mood was much improved with the boot, kicking 5 goals. In a highly entertaining game of rugby Waverley finished victorious 62-24, moving to outright 2nd on the ladder.

Waverley hit the road again to take on Barker College at Hornsby this Saturday. While Barker College sit in 5th position on the CAS ladder, they will have been lifted by their first win of the season against St Aloysius' College last week. Barker are always challenging opponents, especially when playing at Hornsby. Waverley will need to take the momentum from their entertaining win on the road.

### Around the Grounds

The 2nd XV had a 10-all draw against Cranbrook. It was a game that could have gone either way. Cranbrook took their opportunities, almost getting the win in the end. Waverley scored more tries, but had a number of lapses throughout the match that cost them. Jack Keady made some strong runs and Joel Ellis, as always, was everywhere. The 3rd XV played their entertaining

style of rugby, which was not assisted by the slippery football. They managed to continue on their winnings ways with Lachlan Trowell making a strong impact at outside centre. The 4th XV also remained undefeated in their 41-0 win. Zach Havard had another solid game, securing ball for his team at halfback. The 5th XV faced up against Knox Grammar and managed to get their first win of the season.

The 16As played against a much-improved Cranbrook side. Lewis Thompson made some strong runs, Reece Thorn directed the traffic well and Max Towns proved dangerous out wide attracting several defenders every time he ran. The 16Bs played in an entertaining contest to just go down in the end. Luke Thorsby made his usual strong contribution in both defence and attack. The 16Cs had a pleasing victory to kick off the day on a positive note. Julian Brossard made some strong runs, and Hayden Walton scored some nice run away tries before going off the field with a nasty knee injury. Best wishes to Hayden for a speedy recovery. Thanks also to Mr Bodkin, father of James, for his assistance with warming up the team.

The 15As welcomed new student Henry Bartlett to the team. Scores were locked at halftime, but Cranbrook was able to kick clear in the end. Daniel Kuzcko helped the 15Bs to a nice 15-0 victory. The 15Cs travelled out to Riverview and went down 4 tries to 1. Daniel Lambert played particularly well in a losing team. The 15Ds played against the Cranbrook 15Cs and just fell short of winning, 22-19. Coach Davis commented that the forwards had a strong game in this match, and identified Logan Ryan to be the pick of the pack with some strong runs and clean outs.

After a difficult start to the season, the mighty 14As got a well deserved win on the board against Cranbrook. Standout performances included Zac Smith with 3 tries and Ronan Braham leading the forwards through the middle. Tom 'The Weapon' Jaeger also crossed the line to help the boys home. Well done 14As! The 14Bs travelled out to Hunters Hill to take on a very strong St Joseph's team. Hugh McSweeny and Noah Gardiner both played well. Thanks to all those players, who gave their all for Waverley, and families who made the journey to Joey's. The 14Cs played against the Cranbrook 14Bs and managed to score a pleasing win, with Ridley Owens the man of the match. The 14Ds played an unfamiliar Redfield 14Cs team, who proved to be very impressive.

The 13As had a pleasing 50-point win to remain undefeated. The two flankers, Alex Elder and Ethan King, were just superb at the breakdown. The 13Bs went a bit better, winning 72-0 against Riverview. Chris Salem and Dylan Purbrick, the mighty front rowers, impressed Coach Soden. The 13Cs faced up against Cranbrook's B team and despite trying hard, lost by a few tries. The 13Ds had a very tight contest against the Cranbrook Cs and got up by a try in a thriller. Jack Fingleton was super. The 13Es got to 83 points in there victory against the Cranbrook 13Ds. Elliot Vella and Guilian D'Ettore scored 4 tries each! Well-done boys!

### CAS Round 5 Vs Barker College

This week the 14s and 15s play at Queens Park against Barker College, while our 13s, 16s and Opens head up to Hornsby. Note that as Barker do

## From the Convenor of Rugby ...continued...

not match up with all Waverley teams, some teams will be playing at other venues.

While Barker College does not have as much depth as they once had, every match will be very competitive. Traditionally, Barker do seem to be quite challenging at home, so 13s, 16s and Opens teams will need to lift and be disciplined.

### Uniforms

Winter is here and the cold weather has definitely hit! It is extremely important that students continue to wear the correct uniform to Saturday sport. Students should be wearing the Waverley College tracksuit if they are cold. Students must not wear other branded jumpers or hoodies.

Further to this, students are not to wear baseball caps that are not part of the Waverley College uniform. A new trend has emerged with students wearing the correct uniform, but wearing a variety of non-Waverley baseball caps. If students do want to purchase a Waverley College Rugby baseball cap, these are available from the Canteen at Queens Park each Saturday.

### The Long Weekend

After several solid weeks of rugby, the Queens Birthday Long Weekend is almost here to give everyone a well-earned rest! Note that training will run as normal from Monday 6th June to Wednesday 8th June. There will be no training (for 16s and Opens) on Thursday 9th June. There will be no sport on Saturday 11th June.

Training will resume for 16s and Opens on Tuesday 14th June and for the 13s, 14s and 15s on Wednesday 15th June. The final fixture for Term 2 will be against St Aloysius' College on Saturday 18th June. This will be a reversal of the Round 1 CAS fixture. 13s, 16s and Opens will be playing away, with the 14s and 15s finishing the term off at Queens Park.

Good luck to all teams in Round 5 of CAS!  
**WAVERLEY TO WIN!**

John McCoy  
Convenor of Rugby

## From the Careers Desk

### Foundation For Young Australians - Enterprise Skills are in Demand

The New Basics Report reveals that employers are placing a premium on enterprise skills at a time of significant change in our workforce.

Jobs ads that ask for these enterprising skills are offering significantly higher pay than those jobs not requiring these skills, and employers of younger workers are asking for enterprise skills just as often as role-specific technical skills. What's more, the jobs of the future demand enterprising skills 70% more than jobs that are at risk of automation.

Enterprise skills are transferable skills required in many jobs.

- They include:
- Problem solving
- Creativity
- Financial literacy
- Digital literacy
- Critical thinking
- Presentation skills
- Communications
- Team Work

#### What are enterprise skills?

Enterprise skills are transferable skills that enable young people to engage with a complex world and navigate the challenges they will inherit. Enterprise skills are not just for entrepreneurs; they are skills that are required in many jobs. They have been found to be a powerful predictor of long term job success.

The terms used to describe these skills vary across different contexts: sometimes called generic, soft, or 21st century skills. However, the meaning is clear: a set of skills and characteristics that enable young people to confront the challenges of change and navigate a complex future.

#### What are technical skills?

By contrast, technical skills are often specific to a particular task, role or industry. Technical skills include qualifications such as licences, certificates or degrees but also include skills acquired on-the-job that are specific to a role or industry. Such skills may include surgical procedures if you are a veterinarian, hair styling techniques if you are a hairdresser, or Java script if you are a computer programmer.

70% of jobs of the future demand enterprise skills more than jobs of the past.

- Demand for enterprise skills has been rising over time
- Employers pay a premium for many enterprise skills
- Jobs of the future demand more enterprise skills
- Employers now ask for enterprise skills as often as technical skills
- Many enterprise skills are demanded across all occupations and industries

### UNSW Built Environment Portfolio Workshop

Date: 5 August  
Time: 9.30am-12.30pm  
Find out more about alternative admission by coming along to the workshop event. UNSW Built Environment recognises that your Australian Tertiary Admission Rank (ATAR) or equivalent may not reflect your potential in creative thinking and making. We are pleased to offer you the alternative admission scheme to give you the opportunity to submit a portfolio of your work to support your ATAR. This workshop will provide you with information, advice and practical skills that will help you design, layout and construct your own portfolio for submission.

## From the Careers Desk ...continued...

### Applying to the Australian Defence Force Academy

It is advised that students wishing to study at ADFA apply in year 11 as it is a competitive selection process which may take up to 12 months to complete.

Gaining entry to ADFA is a dual process which requires students to apply directly to the Australian Defence Force while also applying concurrently to UNSW ADFA through UAC.

An offer to study at ADFA is conditional to meeting the academic requirements of UNSW as well as the mental and physical requirements of the Australian Defence Force.

<http://www.defencejobs.gov.au/education/adfa/howToApply/admissionProcess.aspx>

### AIT: Free Digital Workshops

25th June 2016, 9:30am to 4pm
