WAVERLEY COLLEGE

The future is in your hands.

The 2018 Annual Giving Appeal

Those who contribute to the 2018 Annual Giving Appeal will play an important role in shaping the future of Waverley College and the experiences available to our students. As we celebrate our 115 year anniversary and look to write our next proud chapter, your support is more important than ever. Donations will help fund three key projects focused on the growth and expansion of the school.

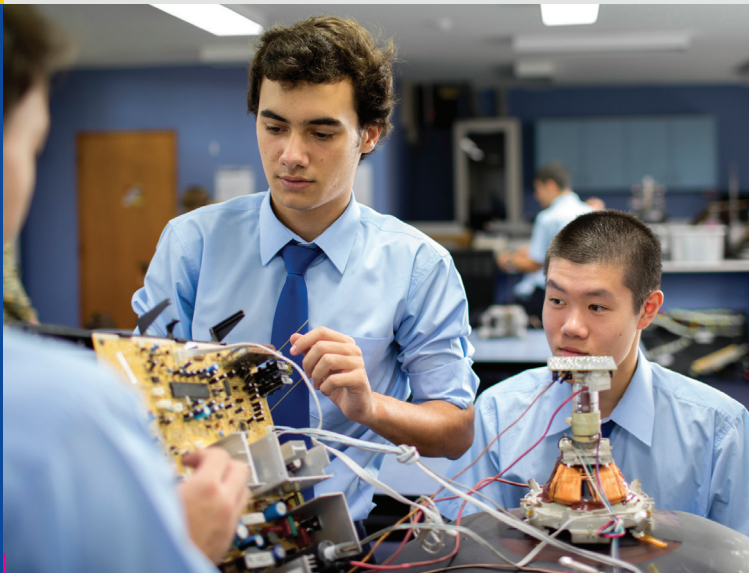

Campus Improvements

Having a campus that is both beautiful and functional helps create a welcoming environment for the entire school community. Donations received from the 2018 Annual Giving Appeal will enable us to continue greening the campus and complete works in the Centenary Quadrangle. We will also be able to address the issue of parking and create 24 new spaces near the Performing Arts Centre. The new parking area will provide much needed additional parking for staff, and after-hours parking for parents.

Sporting Facility Expansion

Because physical activity is vital for health, discipline and focus, we want to maximise opportunities for our boys to participate in sport and outdoor recreation. We have exciting plans to transform an unused area of the school into a multipurpose recreational space. The expanded sporting facilities will encourage our boys to stay active and support our existing sporting programs by providing two additional full-size tennis courts (bringing our total to six) and two futsal courts. The area will also be available as a playground space at recess and lunch.

Scholarship Fund

The Waverley College scholarship program fulfils two key goals: to provide equality of access to those who otherwise would not seek enrolment, and to encourage our students to realise their potential and strive for excellence. This year, annual giving donations will also help fund a new indigenous scholarship in collaboration with the GO Foundation. The aim of the new scholarship is to provide empowering educational opportunities for young indigenous men seeking a brighter future.
