WAVERLEY COLLEGE

At Steve Waugh Cricket, we have one of the most respected cricketers of all time driving our business – with his philosophy and values still inspiring cricketers today. Our coaching team includes international and award winning coaches plus current and former first class players. We believe that communicating and imparting Steve's philosophy and values is important to the future of the game.

STEVE WAUGH CRICKET

Our approach is about delivering a fun learning experience, helping young cricketers improve their skills and their game in a relaxed, enjoyable atmosphere. We don't believe in over-coaching kids; instead, we aim to let them be themselves, and enjoy their participation in the game. That means we look at each player to evaluate their potential and skills, and then work with them to achieve their potential.

What to expect from the clinic:

The full gamut of cricket skills, strategy, tactics, teamwork, health and fitness.

Our content includes all key cricketing skills, while also offering the flexibility for participants to gain additional coaching in their specialist disciplines.

These include all aspects of batting, bowling, wicketkeeping and fielding.

What to bring: Cricket gear, lunch, drinks, sunscreen, appropriate sun protection.
