

# Talented Athlete Mentoring Program

*Engage. Inspire. Empower – Beyond the Game*

---

*Wednesday 25 November - 3:30pm in the PAC*

---

Waverley College is hosting an inaugural Talented Athlete Mentoring panel discussion and question time with guest speakers Waverley Old Boys Adam Freier, Steve Hoiles and Ben Donaldson.

This session will involve discussions about their life at Waverley and the impact on their careers.

They will give insights into how to balance, goals, career paths, staying on track during the 'fun' times like holidays, commitment to studies and sport, setting the bar high, mental health and well-being, sacrifices and long-term decisions during their time at Waverley College.

Students playing in the 1sts/2nds co-curricular teams in Summer and Winter are invited to attend. Please come dressed appropriately.

RSVP [HERE](#) - by Tuesday 24 November
