

RIDE THE HSC WAVE

RIDE THE WAVE: PHYSICS

**Thursday
13 May**

6 -7.30pm

With **INSIGHT
HSC EDUCATION**

Learn how to effectively apply problem solving and critical thinking skills when approaching challenging exam questions.

Do you want to have an edge for HSC Physics? Don't know how to best prepare for your exams? For many students the reality is that they understand most physics concepts but do not know how to approach or answer examination questions to obtain full marks.

If you want to learn exactly how to get full marks when approaching a range of questions that are typically asked in exams, come along as Harry Lu from *Insight HSC Education*, who has achieved an ATAR 99+ and has a background in aerospace engineering shares his tips and tricks to help you gain an edge.

This event is for students in Year 12.

Ride the HSC Wave - Lecture series is proudly brought to you by Eastern Suburbs Cooperative Libraries.

FREE EVENT
Bookings essential

RIDE THE HSC WAVE

RIDE THE WAVE: ENGLISH

**Thursday
20 May**

6 -7.30pm

With **LARRY
GRUMLEY**

HSC English Exams, focusing on Paper 1 but also providing tips and ideas for Paper 2.

This lecture, presented by Larry Grumley, will provide HSC students some advice in preparation for their upcoming HSC English Exams, focusing on Paper 1 but also providing tips and ideas for Paper 2 as well.

Larry Grumley has over 30 years' experience teaching English in both Australia and overseas. He has taught at high school, TAFE and university. As a Supervisor of Marking of HSC English, he has presented lectures on aspects of English and learning skills to students and teachers all over NSW.

This event is for students in Year 12.

Ride the HSC Wave - Lecture series is proudly brought to you by Eastern Suburbs Cooperative Libraries.
