

Junior School Mother's Day

Friday, 6 May - Midday at Mary Immaculate Church

Mothers, step-mums, aunts, grandmothers and special women who are like mothers in the lives of Waverley College students, are invited to accompany their boys to a special Mother's Day Mass in honour of mothers everywhere.

Due to both COVID-19 restrictions, and the size of the church, we are limited to one special guest for each Junior School student. We thank you for your understanding and look forward to celebrating with you.

Afternoon tea will follow, which will be held in the Junior School.
