**Grab a tent, swag or a sleeping bag  
and sleep rough for homelessness**

## IN YOUR OWN HOME

Get sponsored this August and experience what  
being a homeless teen would really feel like.

Take part in a unique virtual event, where you will  
participate in a series of challenges mimicking the  
footsteps of a young Australian sleeping rough.  
Hear from guest speakers who've lived on the  
streets as young adults and dig deep into the  
challenges they faced.

**Get your school mates to register today and  
support those that sleep rough every night.**
