GENERAL INSTRUCTIONS FOR THE EVENING

1. When students are in the stand, there must be one student per seat - there is to be no crowding around the balconies or stairways aisles. The first row is to be kept vacant for the College Prefects.

2. Full Summer College Uniform must be worn.

3. All students must remain in the area allocated to Waverley College and obey the directions of Staff Supervisors and College Prefects.

4. No iPods or MP3 players. Mechanical or musical instruments (including whistles) are not permitted.

5. Boys can visit the canteen and toilets under the direction of the Heads of House and supervising staff, but must not loiter around these areas. Other than visiting these two areas you must remain in the stand.

6. Behaviour at the Carnival, especially in the stands, must be of the highest standard.

7. Our cheering will only be positive, we will not respond to another school who chooses to be negative. How we perform when we win or lose says a lot about who we are and what we stand for.
